Von Joe Hill : Locke Key Vol. 3: Crown of Shadows (Locke Key Volume) before purchasing it in order to gage whether or not it would be worth my time, and all praised Locke Key Vol. 3: Crown of Shadows (Locke Key Volume):

More Keys, more Character-Development, more HorrorsVon KundenrezensionenHere is now the third collection of Joe Hills Gabriel Rodriguez story about the adventures in the Keyhouse and in the township of Lovecraft. Zack gets more

strophy and through some new friends Kinsey gets another hint at the lief-story of her father. Shortly thereafter, the finding of some new keys makes life even more interesting - especially when the alcohol-drenched mother finds one of the most dangerous keys yet. Again superbly written and very bewitching drwan. Another part of the saga that simply screams for continuation. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schlichtweg brilliant! Von Starbuck Die Handlung in Locke and Key gnnt den Charakteren keine Pause. Hatten wir nach Band 2 fnf Schlssel gefunden, sind es am Ende dieses Bandes bereits neun - und jeder einzelne bedeutet Gefahren, aber auch Gelegenheiten fr die Familie Locke. Gegenspieler Dodge sucht derweil weithin den Schlssel fr die schwarze Tr - das drfte aber noch bis zum groen Serienfinale dauern bis die geffnet wird! Die Story liest sich wahnsinnig schnell, ein echt Pageturner im klassischen Sinne, und ist so tempo- und geistreich, dass man sofort den nchsten Band herbeisehnt. Toll auch die menschliche Komponente, allem voran der Alkoholismus der Mutter, der jenseits der verrckten Geschehnisse um die Schlssel die Familie extrem belastet und sehr glaubhaft dargestellt wird. Alles in allem der bislang vielleicht temporeichste und beste Band der Serie - wenn man hier nicht in jedem Panel genau hinschaut, entgeht einem etwas, zum Beispiel wer grade welchen Schlssel hat...

Kurzbeschreibung Collects Locke Key: Crown of Shadows, #1-6! The dead plot against the living, the darkness closes in on Keyhouse, and a woman is shattered beyond repair, in the third storyline of the acclaimed series. Dodge continues his relentless quest to find the key to the black door, and raises an army of shadows to wipe out anyone who might get in his way. Surrounded and outnumbered, the Locke children find themselves fighting a desperate battle, all alone, in a world where the night itself has become their enemy. Pressestimmen "The characters, the setting (complimented by the always goegeois Gabriel Rodriguez art), the mystery, the intrigue, everything all presented and balanced so deftly that it almost hurts." Ain't It Cool News "In case my past reviews didn't praise him enough, let me reiterate that Gabriel Rodriguez is a master storyteller. As such, Hill once again illustrates complete faith in Rodriguez's ability to show the reader everything they need in order to piece the story together."
