Von Annette Mori : Locked Inside (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Locked Inside (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great idea, mediocre executionVon PyoroAs the blurb implies, this is about Belinda, 16-year old at the beginning of the story and suffering from locked-in syndrome. She can only communicate by blinking, but Carly befriends her anyway.The rest of the novel is about them becoming closer friends, Belinda's recovery, and ultimately them becoming a couple.It's all OK, but given the heavy topic it seems all too easy. Everything works out perfectly for everyone. Set-backs are mentioned, but never narrated. The positive atmosphere of the novel is fine, but it's all just a

little too convenient. Real people aren't like the characters here, and real life isn't as simple as this novel wants it to be. And whichever way I feel about that, the writing isn't too great either. Serviceable, but no more. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderbar Von Astrid Phantastisch das Buch zieht einen förmlich rein und man kann nicht mehr aufhören zu lesen. Es gibt wenige Schriftstellerinnen die mit Wörtern so unglaublich gut umgehen können. Das wird nicht mein letztes Buch sein was ich von ihr lesen werde

Kurzbeschreibung How much does the power of love matter to someone who has overcome obstacles greater than most people face in a lifetime? Carly, a beautiful and vivacious young woman, sees something in the semi-comatose Belinda and they form an unusual bond. Can Carly help Belinda break free from her emotional prison? Will Belinda's fears allow their relationship to evolve into something deeper? Find out in this wonderfully evocative romance that is sure to touch your heart.
