Von Karen Hawkins : Lois Lane Tells All (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lois Lane Tells All (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Very entertainingVon Katzenjammer123"Lois Lane tells all" by Karen Hawkins is an awesome book full of great characters, sweet and sexy moments and many funny and amusing scenes.Susan Collins loves living in small and sleepy Glory and working as editor-in-chief for "The Glory Examiner". Life could be great but sexy and nerdy Mark Tremayne is bringing tension into Susan's life. On the one hand he's trying to tell her how to do her job but on the other hand he is just too much like Clark Kent whom Susan adores. Normally Susan isn't interested in casual and short-time relationships but for Mark she's willing to make an exception.Mark also feels the sparks between them and even though he's only in town for a few months he wants more of Susan than just being colleagues. Like Susan he is not interested in a long-term relationship because Glory is just too small and sleepy for him.But when weird things start to go on in Glory and Susan seems to be in danger Mark can't stand back any longer. What starts as a casual relationship soon feels like so much more for Susan and Mark. But they still have to overcome their different viewpoints to form a relationship that can last longer than just a few months.I absolutly loved reading "Lois Lane tells all". After "Talk of the town" it's the second book by Karen Hawkins that plays in Glory. I would recommend to read "Talk of the town" before "Lois Lane tells all" but it's not a must.From the beginning of the book I had a smile on my face and couldn't stop laughing until I finished it. Susan and Mark are both great and interesting characters and I enjoyed their arguments and banter a lot. The chemistry between them is palpable from their first scene and becomes more and more sizzling during the book.I also enjoyed reading more about the Murder Mystery Club and the other citizens of Glory. Although there's a mystery in the book it's definitely more romantic than suspenseful.Meeting all the bachelors the town has to offer lets me hope for many more books about Glory.So, all in all I think "Lois Lane tells all" is an amazing book and I spent some very entertaining hours reading it. I can't wait to read more of Glory's citizens and I'm already excited for Ethan's story which will be published next.

KurzbeschreibungNew York Times bestselling author Karen Hawkins returns to Glory, North Carolina, for another delightful story of love and laughter.She thinks shes Lois Lane . . .Susan Collins always wanted to be a hard-hitting reporter, but theres not much call for her talents in sleepy Glory, North Carolina. Then the Murder Mystery Cluba trio of enterprising octogenariansdecides to open their own CSI lab at the assisted-living center. And when strange "accidents" begin to happen around town, Susan senses she could be on to the news story of her dreams.He doesnt want to be her Superman . . .Mark Tremayne has returned to Glory to take over as CFO of The Glory Examiner. His job is to keep the newspaper profitable, which means covering the annual Baptist Church Bake-Off and selling ads for the county fairnot allowing his too-sexy-for-her-own-good reporter to hare off after a wild story that could alienate some of the townspeople.Together . . . theyre Kryptonite.Marks and Susans viewpoints could be from different planets, but their mutual attraction is in total alignment. Despite their arguments, the indomitable redhead and the hot accountant are a sexual explosion waiting to happen. And when it does, Glory had better watch out!Pressestimmen"Fun and highly entertaining!" --New York Times bestselling author Rachel Gibson on "Talk of the Town"Fun and highly entertaining!
