wonderful entertaining Von Melanie Gpfert Sehr schne Erweiterung und Verknpfung der alten Mythen mit der heutigen

Zeit. Ich liebe das Buch und werde es sicher noch ein zweites Mal lesen...

Kurzbeschreibung Meet Loki, the Norse god of fire, magic, and trickery. For eons, he lay bound beneath the earth, serving time for an ancient murder. The worlds have changed and at last he is free. Join Loki as he walks among the gods once more. Coming home is only the beginning of the adventure as he steals off with Freya's cats, confronts his old rival Heimdall, and journeys with Thor to the realms of dwarves and giants. In a tale that spans past and present, Loki shows us the Norse gods as they have never been seen before. This is his story, told entirely from his point of view. This is Loki's Saga.
