**Von Chanel Cleeton : London Falling (International School series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised London Falling (International School series):

A sequel I waited for desperatlyVon NaChAfter reading Cleeton's first book I was stunned and left wanting more. I had to wait a two month for the sequel and devoured it in a night. Not disappointed!She creates a world that is so vivid and so

relatable it just draws you in. She made me laugh, cry with sadness and frustration and made it absolutely worth my while.

Kurzbeschreibung We weren't a relationship, we were a ticking time bomb Maggie Carpenter walked away from the hottest encounter of her life when she left the seductive glitz of England for summer break in her South Carolina hometown. Now that she's returned to the International School in London and sexy, privileged Samir Khouri is once again close enough to touch she can't help but remember the attraction, the drama the heartbreak. She can't help but want him even more. Samir can't afford to fall for someone so far removed from his world, not when his time in London is running out. It's his senior year his last chance at freedom before he returns home to Lebanon. There, he'll be expected to follow in his father's footsteps not follow his heart to Maggie. But when a scorching secret hookup becomes a temptation neither can resist, they'll both have to fight to survive the consequences and find a future together. Don't miss this explosive sequel to I See London, and the riveting conclusion to Maggie and Samir's story. This is a New Adult romance recommended for readers 17 and up.
