Von Angela Esteves : London To Las Vegas (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised London To Las Vegas (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. True love survives time and challenge Von Emma Matczak I loved this book and I'm sure you will too.. Experience the love, passion, drama and disappointment as you follow the main character Kathleen's journey from London to Las Vegas in search of fame and fortune. She refuses to let life's hardships and a broken heart keep her from following her dreams.

It brought a tear and a smile and its a book I'll read again and can definitely recommend!

Kurzbeschreibung London To Las Vegas is a romantic novel depicting the life of beautiful dancer Kathleen Wayre, and her rise from poverty in England to American stardom. Born illegitimately in 1918, Kathleen is adopted by a poor East End family in London. Haunted by her impoverished existence, childhood dance lessons offer a future escape route to success. London To Las Vegas charts the intense joy, pain and rejection of a love triangle between Kathleen and American Artistic Agent Tony Tarantini, who share an unconditional, enduring love throughout the decades and the nurturing success of a loving partnership with American stage choreographer Hal Davies. As the narrative unfolds, the books tempo changes and the focus shifts to the other side of the Atlantic as Kathleen embarks on the road to American stardom and fame ultimately becoming a victim of her own single-minded success and ambition.
