Von Lauren Bach : LONE RIDER (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised LONE RIDER (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Good chemistryVon Ein KundeI didn't like Ms. Bachs "Slow hands" very much, so I didn't expect a lot from this one. Maybe that's why the surprise was a bit more on the pleasant side. This book's story features an under-cover agent in a criminal motorcycle gang. The way the heroine ended up with the gang is a tad unbelievable and with this "wrong"

start, the plott never gets well-rounded and satisfying. The chemistry between the agent and the heroine wasn't bad though and I enjoyed reading this book. It won't make it into my true keepers list, however.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Real Page Turner!Von CassandraI have to disagree with the other reviewer. I loved this book! Read it in one sitting because I couldn't put it down. It gripped me from the first page and held my attention to the end. The story wasn't THAT unbelievable (I definitely read books with worse plots). I have to admit I liked the first part of the book better where Tess was captured by the gang and held at their compound. There was no sugar icing on the things that happened there and I really liked that. I could truly feel and understand Tess' fear and desperation during her captivity. The chemistry between Tess and Dallas/Grey was very well done, too. The love scenes positively sizzled!I haven't read "Slow Hands" because of the bad reviews (though now I'm re-thinking that). But I read "Pure Dynamite" and it was very good, though this one was better! I highly recommend it!

KurzbeschreibungORIGINALLY PUBLISHED 2001...re-released for eBooks.A woman in desperate straits...An unlikely savior in leather and jeans...Out of gas on a lonely mountain road, Tess Marsh is in desperate need of rescue when a leather-clad biker named Dallas Haynes appears, followed by a nasty-looking biker gang. Before Tess can protest, Dallas purposefully claims her as his woman and spirits her away on the back of his Harley. Now at the mercy of a man who could break through her defenses, Tess fights her conflicting desires to escape from or to fall for her captor. Unbeknownst to anyone, Dallas is on a dangerous mission, and his growing passion for Tess has become a complication that could hurt them both.KurzbeschreibungORIGINALLY PUBLISHED 2001...re-released for eBooks.A woman in desperate straits...An unlikely savior in leather and jeans...Out of gas on a lonely mountain road, Tess Marsh is in desperate need of rescue when a leather-clad biker named Dallas Haynes appears, followed by a nasty-looking biker gang.
