The best of the Sons of TexasVon morninggirl5Always save the best for last seems to be the motto for the Sons of Texas series. Wade's character was introduced in the previous books, bu there he finally becomes a three - dimensional character. This is an emotionally charged book -- it brings laughter, tears, and finally a heart-warming end to Bitter End. Unlike many other books with a religious character, Wade's status as a pastor is part of his character and motivations, not a stereotype. Newcomer, Amy is a young woman struggling to find a home for her unborn child and Wade promises to

deliver her three miracles - a place to live, a job, and a father for her child. Ms. Macomber delivers a miracle of her own in the final installment of the Sons of Texas. This is definitely a KEEPER.0 von 0 Kunden fanden die folgende Rezension hilfreich. GREATV von Ein KundeAnything by McComber is great!!! I never miss one. She is absolutely the best in romance. Love Comes Softly has always been my favorite.
