**Von Tanya Huff : Long Hot Summoning (Keeper's Chronicles)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Long Hot Summoning (Keeper's Chronicles):

this), shows Claire's little sister Diana with her angel/cat as leading figures. But do not worry, the marvelous Dean and Austin do play a very important and interesting part. Here Hell shows what to do with an US Shopping Mall which do attract some extraordinary people, as lost Street-Kids, changing into very modern elves and a new form of King Arthur. This book is fast pacing and very much in the style of the first of this series. A good read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. guter Schluss der Reihe Von willowwitch Wie schon in den ersten beiden Bänden der "Keeper's Chronicles" kommt die Unterhaltung auch im abschließenden Band drei nicht zu kurz. Diesmal geht es um einen wichtigen Auftrag zu dem Diana gerufen wird. Ihre Schwester Claire, deren Freund Dean sowie die beiden Kater Sam und Austin sind natürlich auch wieder mit von der Partie. Es erwartet die beiden Keeper und Sam ein bunter und turbulenter Ritt quer durch die "andere Seite". Dean und Austin hingegen haben ihre liebe Not damit, eine Mumie, die im Gstehaus abgestiegen ist, in Schach zu halten. Dabei entstehen herrliche Wortgefechte zwischen den beiden. Am Anfang zog sich mir die Handlung ein bisschen schleppend hin, so dass es eine ganze Weile dauerte, bis ich mich durch die ersten Seiten durchgelesen hatte. Gegen Ende konnte ich das Buch jedoch kaum noch aus der Hand legen und war wirklich begeistert - gerade von dem Wortwitz der beiden Katzen. Insgesamt hat sich das Lesen wirklich gelohnt - schade, dass dies der letzte Band der Reihe war. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Better again Von Grey Mouser "Long Hot Summoning" is the third part of the series "Summon the keeper" and "Second summoning". If you are new to the series look at "Summon the keeper" and start there. After the little let-down of "Second summoning" Huff is at her level again. The cat-human interplay is at its best, finally funny again and the lost children involved have some Peter Pan-qualities. And... everyone who has once spent hours in a shopping mall, accompanying relatives or friends, will concur that this is the place where hell will enter earth! ;)

Kurzbeschreibung Discover the third book in the Keeper's Chronicles, where two young women master the possibilities of time and space, maintaining the balance between worlds to protect Earth. It started on the last day of high school, a day Diana Hansen had been anticipating for the last twelve years. Now, her real life could begin. For Diana, like her sister Claire, was a Keeper gifted with the ability to reweave the possibilities of time and space to maintain the balance between Light and Darkness. What neither Diana nor Sam formerly an angel, now a cat could have anticipated was that her first Summons as an active Keeper would be to a shopping mall! But a quick trip to the Erlkings Emporium, a gift shop in a Kingston mall, confirmed Diana's worst suspicions. Not only was Darkness trying to stage a takeover from the Otherside, but if Diana didn't bring in reinforcements, her first Summons might well be her last. Claire and Austin who had always been a cat and had little tolerance for cat wannabes like Sam were only too ready to take on their older and wiser roles. But neither the Keepers nor their cats were prepared for what they found when they tried to cross from their world to the Otherside mall.... Pressestimmen Praise for the Keeper's Chronicles: There are plenty of odd characters and touches of unexpected magic and humor to keep things moving for a contemporary fantasy that's lots of fun. Locus No one tickles the funnybone and chills the blood better than Tanya Huff... With screamingly funny dialogue and sharp plotting, Ms. Huff makes every word a positively delightful experience in this imaginative tale. Romantic Times Fans of humorous fantasy will enjoy this fast-moving tale, as will cat lovers and anyone else who can suspend disbelief and settle back for a good time. VOYA This book is entertainment, pure and simple.... A thoroughly satisfying story. SF Site An abundance of wit, a strong fantasy which wins on its solid and refreshingly different, wry humor. Library Bookwatch Great reading for a hot summer night when you want to be whisked away to another world. SF Chronicle Tanya Huff's new series is a brilliant creation.... The storyline is riveting with never a dull moment.
