**Von D. Jackson Leigh : Long Shot (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Long Shot (English Edition):

Kurzbeschreibung If you're going to bet a long shot, you have to be prepared to lose. Equine veterinarian Tory Greyson has always played the safe bet. That is, until she runs into a very cute, opinionated, jobless journalist. The small town of Cherokee Falls is just a pit stop for Leah Montgomery while she figures out how to put her career back on track and deal with her grandmothers slide into dementia. Tory is unable to resist when Leah talks her into putting money on a long shot at the track and then spending the winnings to buy a wild pony. Will Tory take a chance on Leah, too? Or will she stick with the safe bet and pursue Bridgette LeRoy, the calm, Zen-centered artist who arrives to teach at the local college?

ber den Autor und weitere Mitwirkende A Georgia peach transplanted to North Carolina, D. Jackson Leigh has worked the past thirty years as a print journalist and played an endless parade of sports. Although she works long hours commanding reporters and editing on deadline, the first thing she wants to do when she gets home is dive into a good book or write one for herself.
