Von Robert Goddard : Long Time Coming: Crime Thriller before purchasing it in order to gage whether or not it would be worth my time, and all praised Long Time Coming: Crime Thriller:

Kurzbeschreibung Eldritch Swan is a dead man. Or at least that is what his nephew Stephen has always been told. Until one day Eldritch walks back into his life after 36 years in an Irish prison. He won't reveal any of the details of his incarceration, insisting only that he is innocent of any crime. His return should be of interest to no-one. But the visit of a solicitor with a mysterious request will take Eldritch and his sceptical nephew from sleepy seaside Paignton to London, where an exhibition of Picasso paintings from the prestigious Brownlow collection proves to be the starting point on a journey that will transport them back to the Second World War and the mystery behind Eldritch's imprisonment. In 1940, he was personal assistant to a wealthy diamond dealer in Antwerp, whose collection of modern art was the envy of many. The subsequent disappearance of those paintings began a trail of murder and intrigue which was to have a catastrophic effect on Eldritch's life. But untangling the web of murky secrets, family ties and old betrayals that conceals the truth will prove to be a dangerous pursuit for Eldritch and Stephen. Before long, a mysterious enemy is doing everything possible to stop the truth emerging - at whatever cost... Pressestimmen "When it comes to duplicity and intrigue, Goddard is second to none."
