KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Am Anfang passt der TitelVon Hana-sanVorsicht, Spoiler: Der Beginn der Geschichte ist vielversprechend und die

Figuren ausreichend beschrieben, um zu ihnen eine Bindung aufzubauen. Allerdings habe ich persönlich ab dem Zeitpunkt dieser merkwürdigen Hochzeitsfeier diesen Draht aufgrund des Handlungsstranges und der weniger gut erklärten Gefühle der Hauptfiguren wieder verloren. Mein Fazit wieder einmal: Potenziell gute Geschichte, aber hier war mehr drin gewesen. Das spezielle Genre, die Details der Story, entsprechende Erotik, flüssiger Erzählstil und nette Charaktere retten das Buch noch auf drei Sterne.

Kurzbeschreibung  
The Touch Series, #1  
Nicholas Ford, a successful club owner in his mid-thirties, decided a while back to deny his true nature in order to follow his family's advice and settle down. The day before he is to attend his girlfriend's sister's wedding, he makes an appearance at his BDSM club and runs into Kayla, a bubbly Little Girl who captures his undivided attention. Look but don't touch, Nicholas tells himself. What he doesn't know is that Kayla is in town to go to her cousin's wedding.  
Word count: about 15 000  
Warning: This story contains scenes of an explicit, erotic nature and is intended for adults, 18+. Characters portrayed are 18 or older. DD/LG
