Von Caren J. Werlinger : Looking Through Windows (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Looking Through Windows (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Excellent debut novelVon PhilologusThis is a very thoughtful book which sets out as a romance but brings into it so much more! Questions of acceptance in society, love approval, health and body image are equally tackled. The book has wonderful secondary characters, e.g. the Gundlachs and great, comfortable houses .Since the description is missing

on www..de here goes:"Everything can change in a second and nothing is ever the same. Emily had to rebuild her life... her sense of self. How far would she go to hold on to a dream? Emily Warner moves to Vermont hoping for a fresh start. Anything to forget the past four years. She didn't plan on the past finding her. And she didn't plan on Ann Hight. Ann helps Emily through a crisis, and re-awakens emotions Emily thought she would never experience again. For Ann, what she begins to feel for Emily promises everything she never knew she needed. Just when it seems they've found the love they've yearned for, fate conspires to tear them apart. Even if they can somehow hang on despite all the obstacles thrown at them, Emily still has to face the biggest obstacle of all - herself."
