A wonderful read.Von Mystery ReaderThis is the first time I've read a Paranormal book by an Indie author and I was very impressed with the way Terri engaged the reader.I don't wish to spoil the plot at all but I must say the

characterisation and storyline/mystery makes this a MUST read. Can't wait to get the other books in the series. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Witty, fast paced, great story Von Hoener, Birgit I absolutely loved this!!! Former Cop turned Private Investigator, Mary is able to see the ghosts of murdered persons, and makes her living (more or less) solving those murder cases. Her current case involves high ranking personalities, a case of murdered children 24 years ago, and a hunky charming new Police Chief. Add to that a brilliant narration style, a fast paced plots, quirky characters, witty dialogues and lots of humour, and you end up with a book you will not want to put down until you've read the last page. Praise as well for both author and editor, I only noticed one little error and was too busy continuing with the story to even bother reporting it. Definitely a recommendation from me, and I would love to read the other books in this series. 2 von 2 Kunden fanden die folgende Rezension hilfreich. entertaining Von Sophy Ok it is Not going to win an academic award but its nice to read. I would buy it again for a good time.

Kurzbeschreibung Dying is what changed Mary O'Reilly's life. Well, actually, coming back from the dead and having the ability to communicate with ghosts is really what did it. Now, a private investigator in rural Freeport, Illinois, Mary's trying to learn how to incorporate her experience as a Chicago cop and new-found talent into a real job. Her challenge is to solve the mysteries, get real evidence (a ghost's word just doesn't hold up in court), and be sure the folks in town, especially the handsome new police chief, doesn't think she's nuts. Twenty-four years ago, a young woman drowned in the swimming pool of a newly elected State Senator. It was ruled an accident. But now, as the Senator prepares to move on to higher positions, the ghost of the woman is appearing to the Senator's wife. Mary is hired to discover the truth behind the death. She unearths a connection between the murder and the disappearance of five little girls whose cases, twenty-four years later, are still all unsolved. As she digs further she becomes the next target for serial killers' quest to tie up all his loose ends. Kurzbeschreibung Dying is what changed Mary O'Reilly's life.
