Von Jules Jones : Lord and Master (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord and Master (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Groartig, solide story und Charaktere Von InkenIch kann mich der .com Rezension nur anschließen!!! Es ist eine groartige Geschichte. Man lernt die Charaktere kennen und die Beziehung entwickelte sich. Es braucht keine groartigen und plötzlichen Tragdien um die Story voranzutreiben. Der Sex ist hei aber auch Teil der Story. Dies sind keine Sexszenen

die mit ein bisschen Story zusammengehalten werden, wie das häufig der Fall ist. Dieses Buch hat ein Ende. Die Nachfolgenden Bücher sind zwischen dem letzten Kapitel und dem Epilog angesetzt. Nur zu empfehlen. Denn dieses Buch ist so toll geschrieben man möchte jedes weitere Detail aufsaugen, das man bekommen kann. Und die nachfolgenden Geschichten schmerzen dieses Gefühl nicht ein bisschen. Im Gegenteil. Das Schreiben von Rezensionen liegt mir nicht, aber dieses Buch ist so gut, dass ich es immer wieder lese und da musste ich es versuchen. Ich kann es nur Jedem ans Herz legen.

Kurzbeschreibung When Mark's PhD supervisor sent him for a job interview with an old university friend, he didn't mention that the friend was devastatingly handsome. He also neglected to mention to either that the other is gay. Steven was just looking for a young scientist to train as a PA to help him run his technology company. No extra services required. But watching other people react to a young, pretty man playing secretary to an openly gay CEO amused them both. Watching people wonder if they were having an affair was an entertaining game. But when the game became real and caught them both up, Mark was left wondering... how real? Because he's the one PA in the building who can't marry the boss. **Publishers Note:** Lord and Master is a homoerotic love story. As such it depicts sexual content that may be objectionable to some readers: male/male sexual practices.
