**Von Patricia Bray : Lord Freddie's First Love (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord Freddie's First Love (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tired of a constant diet of rogues and rakes? Read this!Von Ein KundeNice guys finish first where it counts. And Lord Frederick (Freddie to all but his overbearing mother, who insists on using his proper name, George Harold Arthur Pennington) is a nice guy. He's spent his whole life, since inheriting his title as a boy, trying to do what's right and what will make those around him happy. His mother and a scheming society miss mistake his nobility of spirit for

wimpiness at their peril, as Freddie demonstrates dramatically when he turns the ton on its ear by championing his childhood friend, ostracized 'single mother' Anne. Yet Freddie's strength of character is such that he convinces everyone to accept Anne. Now, if only he could convince Anne to accept him.... A fun and fabulous read, loaded with the witty observations and zany secondary characters Ms. Bray is becoming known for. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great hero, but the heroine didn't communicate enough Von Anne M. Marble Lord Freddie is a wonderful hero. Everyone else thinks that Anne Webster had a child out of wedlock, and they treat her like dirt and call her names. Even her father treated her badly by the way he drafted his will. Freddie goes out of his way to treat Anne well. She was, after all, his first love. However, Anne has a secret. The child isn't hers -- but she refuses to share this information with the people around her. She had good reasons for not telling the local gossips the truth... but at the same time, she should have told Freddie! If you hate romances with overly cute children, don't be afraid of this one. Ian is adorable, but not cloying. I wish I could rate this as a 3.5 because it's not really a 3, but Anne's secrecy keeps this from being a real 4.0 von 0 Kunden fanden die folgende Rezension hilfreich. charming Von Ein Kunde Winsome regency, love conquers all

Kurzbeschreibung "[H]ooks us with absorbing storytelling." BOOKLIST Despite having proposed to more than a dozen women, Viscount Frederick remains one of London's most eligible bachelors. His pride stinging from his latest rejection, Freddie leaves London for his country estate. After six years abroad, Anne Webster returned to New Biddeford with a child at her side, a child whose unruly red hair and mischievous green eyes left society no doubt as to the identity of his mother! Though five-year-old Ian is really Anne's nephew, nothing could erase the stigma with which she had been branded. Anne's girlhood companion, Viscount Frederick, was the only person to offer friendship and then, a rapturous love. And yet, how could Anne allow Freddie to destroy his life by marrying a woman with a tarnished reputation such as hers? Kurzbeschreibung "[H]ooks us with absorbing storytelling." BOOKLIST Despite having proposed to more than a dozen women, Viscount Frederick remains one of London's most eligible bachelors. His pride stinging from his latest rejection, Freddie leaves London for his country estate. After six years abroad, Anne Webster returned to New Biddeford with a child at her side, a child whose unruly red hair and mischievous green eyes left society no doubt as to the identity of his mother! Though five-year-old Ian is really Anne's nephew, nothing could erase the stigma with which she had been branded. Anne's girlhood companion, Viscount Frederick, was the only person to offer friendship and then, a rapturous love. And yet, how could Anne allow Freddie to destroy his life by marrying a woman with a tarnished reputation such as hers? Synopsis Returning home after six years abroad with a young nephew, a child who closely resembles her, Anne Webster is stunned when she is mistaken for his mother and branded a wanton, until her childhood companion, Viscount Frederick, offers her friendship and marriage. Original.
