auf Deutsch toll, aber in Englisch einfach besser Von Heider Vakilzadeh Ich habe den Hornblower-Zyklus auf Deutsch schon an die 10 Mal gelesen. Das erste mal jetzt auf Englisch. Und es sind viele Details einfach viel besser zu begreifen und der Slang der Zeit kommt viel besser rber.

Kurzbeschreibung 1813, and Horatio Hornblower is propelled toward the heart of the French Empire and his old enemy, Napoleon . . . Sir Horatio Hornblower has received strict and highly confidential orders from the highest rank: he must embark upon a grave and perilous mission to recapture the Flame in the Bay of Seine, where the brutal and foul-tempered Lieutenant Augustine Chadwick is being held prisoner by a mutinous crew. Rescuing the Lieutenant demands all of Horatio's spirit and seafaring prowess - for at the same time, he must contend with capturing two French cargo vessels and take part in negotiations to topple the faltering Napoleon once and for all . . . This is the ninth of eleven books chronicling the adventures of C.S. Forester's inimitable nautical hero, Horatio Hornblower.
