Von Madeline Hunter : Lord of a Thousand Nights (Medievals) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord of a Thousand Nights (Medievals):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine nette Story fr SchottlandfansVon LoveLetter MagazinAls ihre Burg belagert wird, versucht Reyna durch einen

versteckten Tunnel zu flüchten, um Hilfe zu holen. Leider wird sie dabei ausgerechnet vom Anführer der Belagerer entdeckt und festgesetzt. Um ihre Leute nicht weiter zu gefährden, lässt Reyna zu, dass Ian die Burg besetzt. Bereits nach kurzer Zeit weckt er in ihrer tiefen Gefühle. Auch Ians Gedanken drehen sich viel zu oft um die schöne Reyna, doch wird diese verdächtigt, ihren Mann vergiftet zu haben. Um die Burg und die Lady vor einer eventuellen Anklage zu schützen, wird die Heirat zwischen Reyna und Ian von ihrem Lehnsherren verfügt. Kann aus dieser erzwungenen Situation noch die große Liebe entstehen? Madeline Hunters Schottlandroman spielt im 14. Jahrhundert auf einer umkämpften Burg. Wie so oft treiben auch hier machtgierige Engländer ihr Unwesen und versuchen sich strategisch günstig zu platzieren. Eine zwischen die Fronten geratene Frau war in diesem Zeitalter den Mächtigen meist hilflos ausgeliefert. Schnell, wenn ihr wie hier ein tapferer Ritter zur Seite steht. Eine sympathische und belebte Heldin, die den sie umgebenden Männern Paroli bieten kann, gibt dem Roman den nötigen Pfiff. Die "Ritter und Burgen"-Romantik kommt in diesem Buch vielleicht ein bisschen zu kurz, trotzdem ist es eine nette Story für Schottlandfans. I've got to admit my obsession with Historical romance is waning since it's been really a long time I've found a book that is worth reading. However, Lord of a Thousand Nights does not disappoint me. It has well-developed characters, a wonderful love story, and a plot that keeps you guessing until the end. I really enjoy the story.

Kurzbeschreibung No woman alive could resist his tantalizing seduction.... Celebrated as one of the brightest new writers in the genre (Publishers Weekly), Madeline Hunter has won the hearts of readers with the poignant passion of her love stories and the brilliance of her writing. Now this nationally bestselling, award-winning author delivers her freshest, most tantalizing romance yet... Called the Lord of a Thousand Nights, Ian of Guilford was famed as much for his feats in the bedroom as on the battlefield. But Lady Reyna Graham had no idea of this when, disguised as a courtesan, she passed behind enemy lines with a desperate plan to save her people. Now, sitting in the tent of the dizzily handsome warrior who commanded the army outside her gates, the beautiful widow suddenly realized that she had underestimated her foe. For she found herself in the company of a man whose charms were said to be impossible to resist... and who would show no mercy in laying siege to her heart and body with every sensual weapon in his arsenal. For the sake of her people, she must not give in ... and she must somehow turn this legendary lover who never lost his heart into a man who would exchange all his thousand nights for one with her... From the Paperback edition. From Publishers Weekly Hunter's fresh, singular voice and firm grasp of history set this lively 14th-century romance apart from the slew of mediocre historical romances. Lady Reyna, the daring Scottish widow of Robert of Kelso, becomes the pawn in a high-stakes game involving land, wealth and power when Ian Guilford, a notorious English mercenary allied with Morvan Fitzwaryn (the hero from Hunter's *The Protector*), lays siege to her keep. In a misguided attempt to save her people, Reyna visits Ian dressed as a courtesan, intending to seduce and kill him. Instead, she unwittingly aids him in overtaking her holding. Ian, known as much for his conquests in the bedroom as for on the battlefield, is intrigued by Reyna's feisty nature, but he soon discovers that her past is shrouded in mystery. What was the nature of Reyna's marriage to the much older Robert? Did she poison him, as many in the castle suspect, or was he murdered by someone else? And why does her childhood contain barely repressed memories of terror? The mystery unfolds with surprising twists and turns as characters from Hunter's previous novels join the action and Reyna discovers why she's suddenly become so valuable to her callous clan. An electrifying blend of history, romance and intrigue, this fast-paced tale is a testament to Hunter's considerable narrative prowess. (Dec. 4) Forecast: Hunter already has brand-name recognition, which is impressive since this is only her fourth title. Her latest will likely top the wish lists of many historical romance readers this holiday season. Copyright 2001 Reed Business Information, Inc. **Pressestimmen** Hunter's fresh, singular voice and firm grasp of history set this lively 14th-century romance apart. ...
