**Von Connie Mason : Lord of the Night (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord of the Night (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great romance bookVon Ein Kundelf you are looking for a great book, read Lord of the Night. The author will make feel that you are Lady Aleta Sommerset. Imagine! At the end she will make you fall in love with Jaime.0 von 0 Kunden fanden die folgende Rezension hilfreich. This was a great bookVon Ein KundeLord OF THE NIGHT was a a very

interesting book. I read it in one night. It is well worth reading. I loved the way Jamie fought for what was his and let nothing stand in his way.

**Kurzbeschreibung**After his father was wrongfully hanged at the hands of the Greys and his birthright taken from him, Jaime Mortimer was forced into exile. Known only as the Lord of Darkness, he became a smuggler, vowing one day to avenge his fathers death and reclaim all that belonged to him. So when news of Lord Evan Greys imminent marriage reached the virile renegade, he knew he must halt the wedding at any cost and marry the bride himself. Yet Lady Aleta Somerset was no ordinary bride, and she was not about to bend to the will of this brazenly handsome rogue who dared claim her as his own. But despite the silver-haired beautys fierce determination not to succumb to the pleasures of the marriage bed, her body betrayed her as Jaime took her to new heights of pleasure and ecstasy until she longed to surrender to her Lord of the Night.  
**Kurzbeschreibung**After his father was wrongfully hanged at the hands of the Greys and his birthright taken from him, Jaime Mortimer was forced into exile. Known only as the Lord of Darkness, he became a smuggler, vowing one day to avenge his fathers death and reclaim all that belonged to him. So when news of Lord Evan Greys imminent marriage reached the virile renegade, he knew he must halt the wedding at any cost and marry the bride himself. Yet Lady Aleta Somerset was no ordinary bride, and she was not about to bend to the will of this brazenly handsome rogue who dared claim her as his own. But despite the silver-haired beautys fierce determination not to succumb to the pleasures of the marriage bed, her body betrayed her as Jaime took her to new heights of pleasure and ecstasy until she longed to surrender to her Lord of the Night.  
**Synopsis**After his father is wrongfully hanged and his lands are stolen from him by the Greys, Jaime Mortimer becomes "The Lord of Darkness" and tries to get revenge by stealing the bride of Lord Evan Grey. Original.
