Von Lara Adrian : Lord of Vengeance (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord of Vengeance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. An exceptional book!Von Ein KundeAt the age of ten Gunnar Rutledge was the sole survivor of the slaughter committed by d'Bussy. He saw d'Bussy murder his mother, as he had shortly killed his father before. Left for dead, he was found by a healer. Gunnar vowed revenge. It was all that kept him alive.Thirteen years later he seeks his revenge. Now

d'Bussy is no longer the same man. He is a father trying only to keep his daughter, Raina, safe. Gunnar kidnaps Raina to lure d'Bussy to a duel. But as he and his men hold Raina captive, Gunnar begins to see things differently.***An exceptional story! I loved it! I felt Gunnar justified, but understood Raina as well. Tina St. John does a wonderful job of luring the reader into the plot and letting her see all sides to the story. I highly recommend this one!***1 von 1 Kunden fanden die folgende Rezension hilfreich. Lara Adrian's first book Von Magritte This is the first book written by Lara Adrian, known for her midnight breed series, written under the pseudonym Tina St John. It is a historical love story, showing what a great writer she will become, but not a very exiting book otherwise at least for me. Gunnar Rutledge father and mother were slaughtered when he was only 10 years old. He himself nearly died as well. 13 years later he has become a ruthless warrior, having only one goal in life: to seek revenge. This is when he meets Raina, who captures him. When he however finds out that she is the daughter of Baron d'Bussy, the man who killed his parents he tries to forget her. When he does not manage otherwise to lure the baron to a direct confrontation, he kidnaps his daughter... not so sure that this is such a good idea especially for his own mental balance. And how can he still kill her father once she has captured his heart? As always the male character of the author's book is a real alpha, strong and handsome, dark and lovely. One really comes to like him and Raina a lot. But the story is nothing really extraordinary, the writing is nice, the bad guy is a really bad guy and it is not very clear who the good guy is. What really annoyed me is the unreasoned attraction, the intensity of the touches which is much easier than the really make them fall in love which each other due to their characters and not only because this is the way it has to be. Raina does uncover more of Gunnar's great character, but only once she already fell for him. Otherwise it is a nice, not great historical romance for a nice not exceptional afternoon. Enjoy the read MBTM 1 von 1 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung Get swept away in this award-winning medieval romance from New York Times and #1 international bestselling author Lara Adrian! He will stop at nothing to claim what he is due . . . Taken captive by Gunnar Rutledge, a dark knight sworn to destroy her father, Raina d'Bussy must teach forgiveness to a man who knows no mercy and lives only to exact revenge on his enemy. But time in Gunnar's keep stirs an unwanted passion in Raina, and something far more perilous, when she finds herself falling in love with the one man she should never desire. For Gunnar, vengeance is all that matters. He seeks the ultimate price from his enemy's beautiful young daughter, claiming Raina as his hostage. But the proud beauty defies him at every turn, tempting him like no other. Setting out to break Raina's glorious spirit, Gunnar instead finds himself bewitched by her goodness, her strength. Can he seize the justice he is due without losing Raina forever? Winner of the Romantic Times ers Choice Award for Best Medieval Romance of the Year HOLT Medallion Finalist for Best Historical Romance of the Year Between the hero and heroine, a secret that I was not prepared for (which is a definite plus) and the action building to a fevered pitch toward the end, there was little or nothing not to love in Lord of Vengeance. All in all, it is a truly wonderful read. All About Romance (Grade A / Desert Isle Keeper) ~~~~~ For more information and a list of other available titles, visit www.LaraAdrian.com Pressestimmen "I couldn't put Lord of Vengeance down. Tina St. John is a talented new writer to watch." --KIMBERLY CATES Author of Briar Rose Kurzbeschreibung Get swept away in this award-winning medieval romance from New York Times and #1 international bestselling author Lara Adrian!
