**Von Dorothy L. Sayers : Lord Peter Views the Body (The Lord Peter Wimsey Mysteries Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord Peter Views the Body (The Lord Peter Wimsey Mysteries Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A collection of short stories by our favorite detective.Von Bernie"Lord Peter Views the Body" Is part of the Lord Peter

Wimsey Mysteries Series. There are twelve mysteries. I will not pull them apart as the fun is watching them unfold."The Abominable History of the Man with Copper Fingers""The Entertaining Episode of the Article in Question""The Fascinating Problem of Uncle Mileage's Will""The Fantastic Horror of the Cat in the Bag""The Unprincipled Affair of the Practical Joker""The Undignified Melodrama of the Bone of Contention""The Vindictive Story of the Footsteps That Ran""The Bibulous Business of a Matter of Taste""The Learned Adventure of the Dragon's Head""The Piscatorial Farce of the Stolen Stomach""The Unsolved Puzzle of the Man with No Face""The Adventurous Exploit of the Cave of Ali Baba" With the novels containing Harriet Vane [Strong Poison], the emphasis is on English life with a mystery added. This book is a series of mysteries with a little 20's and 30's England added. It may be my perception but the mysteries get better and more intriguing as the next one appears. Then it is over. Next book is "The Nine Tailors: Changes Rung on an Old Theme in Two Short Touches and Two Full Peals." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sayers' Whimsey Von Marjorie James This book is a collection of short stories, set in nineteen-twenties and thirties England, about Lord Peter Wimsey. He is a sleuth more in the style of Holmes than Poirot, but with fewer of the incredible deductions that sometimes make Doyle's stories a bit hard to believe. Which is not to say that reading this book does not require a healthy suspension of disbelief. The stories also feature Wimsey's faithful manservant, Bunter; the Egoists' Club, where you can talk about yourself as much as you like (Wimsey is a member) and various other characters and places, all presented in a delightful style. One of the things that I enjoyed most about this book was that Sayers managed to get a fair amount of humor into it without losing the suspense.

Kurzbeschreibung Only Lord Peter has the wit to find the solution to these 12 baffling mysteries. Some aristocrats spend their lives shooting, but Lord Peter Wimsey is a hunter of a different kind: a bloodhound with a nose for murder. Before he became Britain's most famous detective, Lord Peter contented himself with solving the crimes he came across by chance. In this volume of short stories, he confronts a stolen stomach, a man with copper fingers, and a deadly adventure at Ali Baba's cave, among other conundrums. These mysteries tax not just his intellect, but his humor, knowledge of metallurgy, and taste for fine wines. It's not easy being a gentleman sleuth, but Lord Peter is the man for the job. Lord Peter Views the Body is the 4th book in the Lord Peter Wimsey Mysteries, but you may enjoy the series by reading the books in any order. This ebook features an illustrated biography of Dorothy L. Sayers including rare images from the Marion E. Wade Center at Wheaton College.
