Von Gayle Buck : Lord Rathbone's Flirt: A lady of good reputation, a cynical viscount. (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Lord Rathbone's Flirt: A lady of good reputation, a cynical viscount. (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. One of the best Regencies I've encountered...Von a reader from West VirginiaGayle Buck expertly shows modern readers

how easily a Regency lady's reputation (and life!) could be ruined by malicious gossip. Lord Rathbone encounters Verity Worth at one of those Regency house parties at a country estate and proceeds to unintentionally ruin her reputation with a bit of flirtation. Her rage -- and his remorse -- are expertly written. It is completely believable that he would fall in love with her and yet come so close to losing her. You really want to see these two come to realize their mutual love. There are many obstacles for these lovers to overcome, but I don't want to give away the surprise ending. This is Gayle Buck's best effort, and I have read at least ten of her books so far. Many Regency authors portray situations that could never have happened with the rigid rules imposed on proper ladies and gentlemen engaged in courtship. Here the entire plot is believable. This book is well worth seeking out. Enjoy!

Kurzbeschreibung Verity Worth lived a life of privilege until family misfortune reduced her to near poverty. She takes a genteel position to manage a spoiled heiress. Lord Rathbone came courting the heiress, but he finds the paid companion far more interesting. Lord Rathbone knows all too well how to turn a woman's head and win her heart. Verity believes the disgrace of losing her reputation is the worst that can befall her. But then Lord Rathbone's enemies target her in a game of revenge.
