Absolut lesenswertVon uschlDie Lords Of Avalon Serie beginnt mit den Bchern Lord of the Abbey (Lords of Avalon Series) und Lords of Honor (Lords of Avalon)(und einer Kurzgeschichte Lord Greyton's Fall From Grace (Lords of Avalon Novella Series), die zeitlich an den Anfang der Serie gestellt wurde). Das aktuell neueste Buch Lords of Retribution (Lords of Avalon series) ist zusammen mit Lords Of Honor , das Beste bisher. es ist eine fantastische Reise in das alte England (speziell Cornwall)um 1834. In der ganzen Serie geht es um eine wunderbare Schatzsuche, abenteuerliche berflle auf die Lords und deren umtriebige Damen, eben wegen jener Artefakte. Das Ganze hat die Autorin K.R.

Richards gespickt mit herrlichen Romanzen und auch die recht graphischen Bettszenen sind mit liebevollem Respekt gegenüber den fiktiven Charakteren geschrieben. Ein echtes Lesevergnügen! Und die Jagd auf Artefakte geht weiter, denn in 2014 ist der Vierte und letzte Teil der Serie angekündigt, mit dem Titel: Lords Of Atonement! Ich freue mich drauf! Wer Spaß an englischsprachigem Lesestoff hat, mit einer guten Portion Historie, Drama und Romanze, liegt hier genau richtig. Wenn man die englische Sprache einigermaßen beherrscht, sollte mit dieser Serie gut zurechtkommen, da die Dictionare und der Übersetzer gute Hilfen bieten. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Too many different places and people. Von Reiner. It maybe the modern art of writing, but I don't like it. The flow of the story is too confused if there are more than 5 stories are interwoven.

Kurzbeschreibung Trevan Chynoweth returns to Cornwall to find his impatient fiancée, Wenna Penrose, promised to another man. Trevan is not willing to give up his long-time love. Meanwhile, his cousin, Gabriel Chynoweth, fights his sudden, physical attraction to Wenna's sister, Senny, a woman whom he has always regarded as a dear friend and sister. Jack Drayton, the Earl of Elveston, has long been attracted to Lady Tuesday Inwood. Knowing the only way he could have her is with an offer of marriage has been enough to stop him from pursuing her, until now. In Cornwall, the Avalon Society discovers another clue that leads to an important relic while translating ancient scrolls recently found in Glastonbury. The Society's opponents, the Knights of the Brown Order, are determined to find the Holyest of relics first. They will do anything to get to it before the Avalon Society does. The entire Lords of Avalon series is on Kindle now, Lord of the Abbey, Lords of Honor, Lords of Retribution, and the series finale, Lords of Atonement. The Lords of Avalon Companion Novella, Lord Greyton's Fall From Grace, is also available on Kindle.
