Von Patricia McLinn : Lost and Found Groom (A Place Called Home, Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lost and Found Groom (A Place Called Home, Book 1) (English Edition):

reviewer, that Kendra's behavior and attitude is a bit irritating and irrational, but real people can be irrational. She has quite a hang-up about men leaving; first her father, a pilot, went MIA and then declared dead, then all the men her mother latched on to left. That's reason enough for her to not want to give Daniel - who loves to fly - a chance. I liked Daniel's character. His insecurity about being a good father is rational based on his history; kudos to him for wanting to be in his son's life. You'd think the trouble he went through to find Kendra might have swayed her in his favor. I'll keep reading Patricia McLinn's stories. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Not too bad... Von ClaudiH... but I have to take away one star for the main character. The book as such was a nice and average read for a lazy afternoon, but the behaviour of the female protagonist really grated on my nerves. She was obstinate, unreasonable, and most of the time I found her behaviour and reasoning totally idiotic. Because her daddy, a pilot, died on an assignment and didn't return home her belief is that the same will happen with any guy flying a plane. Idiotic. I have to say there wasn't a single moment in this book where I liked that woman. I kept on reading because I was hoping it would get better but it didn't. Judging by all the raving reviews this book got, I seem to be the only one who can't put up with idiocy, but I'll stick with my opinion. On another note, the author asks readers to contact her for any typos and errors in the book. That made me especially aware of them, but who wants to write down every typo throughout reading a book? Wouldn't it be better to use a spellchecker? 5 von 6 Kunden fanden die folgende Rezension hilfreich. Very Very Good! Von J. Holmes The first book in the 'A Place Called Home' trilogy is extremely good. Kendra and Daniel met under intense circumstances. They were strangers in the middle of a hurricane. After their one night of passion Daniel took Kendra to the U.S. Consulate and disappeared out of her life. Now three years later, Daniel has found her and their son, Matthew. Kendra is not sure if she really trusts Daniel to stick around and be there for her and their son. Similarities between Daniel and Kendra's own father (he died when she was young) make it difficult for her to trust Daniel. This book has plenty of Passion, a little bit of Danger, and lots of Love. Lost-and-Found Groom is a wonderful beginning to what will be a wonderful Trilogy. I can't wait for the next one to come out in September.

Kurzbeschreibung Far Hills Ranch has bound together the Susland family for nearly a century and a half. For just as long, there's been a legend that the ranch and its family are cursed. Now, says the legend, the current generation is the last with a chance to break the curse. A stranger rescues her, then disappears when she needs him most... Until he knocks on her door, years later and half a world away... On assignment in distant Santa Estella, hardheaded journalist Kendra Jenner finds herself in the middle of a vicious hurricane... and unexpectedly in the arms of a stranger who speaks virtually no English. Fear leads to passion that months later leads to a baby, which Kendra fully expects to raise on her own, since her search for the father is a fruitless one. Three years later, "Paulo" shows up at her Wyoming home, identifying himself as Daniel Delligati. He says he's come for his son -- and for her. Can they have a second chance at love... when they never had a first chance? A beautifully crafted story revolving around two of the most determined characters you'll ever meet, both of whom want only what is right, and best, for the little boy conceived out of what was perhaps only a desperate affirmation of life in a life-threatening situation... or perhaps the beginning of a love that runs deeper than fear and self-doubt and recriminations. Daniel is a hero to die for, at once vulnerable and courageous, gentle, and iron-willed. ... A thoroughly enjoyable read." -- From 5* review by Karen Templeton "...bursting with wonderful Patricia McLinn romantic touches -- powerful characters, strong interplay and fiery moments." -- Romantic Times ~ ~ ~ ~ ~ Lost and Found Groom, by USA Today bestselling author Patricia McLinn, begins the contemporary western romance series A Place Called Home.
