Spannend, sexy und real Von glauka Als ich das Buch bei meinen Empfehlungen sah, war ich sofort neugierig. Hanna wach nach einem schweren Treppensturz im Krankenhaus auf und vermisst die letzten 11 Monate ihres Lebens. Retrograde Amnesie. Ich verrate nichts mehr...es ist super spannend 1 von 1 Kunden fanden die folgende Rezension hilfreich. Amnesie und das Chaos, wenn man ein Leben sortieren muss :-)) Von Jananana Hannah wacht im

Krankenhaus auf. Das Letzte, woran sie sich erinnern kann, ist ein Besuch in der Bar, wo sie auf ihren groen Schwarm Max traf. Nur leider stellt sich heraus, dass dieser Barbesuch bereits vor Monaten stattfand. Hannah leidet an Amnesie. Ihr fehlen die Erinnerungen an Monate ihres Lebens. Wie sich herausstellt die entscheidenden Monate ihres Lebens. Immerhin gibt es da einen Verloben und zuztlich noch eine Affre, zwischen denen sich Hannah in den letzten Monaten entschieden hat oder aber auch nicht. Dazu kommt noch ihr enormer Gewichtsverlust und ihre Besuche beim Psychiater, die sie noch irgendwie einordnen muss. Bei dem ganzen Chaos steht ihr ihre Zwillingschwester zur Seite... Ein Buch, das mich berzeugt hat. Es liest sich hervorragend. Besonders gut gefallen hat mir, dass man zwischen den Zeitzonen schwankt. Man ist mal im Jetzt bei Hannah, die dabei ist ihre Erinnerungen wieder zu erhalten und im nchsten Augenblick ist man in der Erinnerung von Hannah, erlebt was vor einigen Monaten geschah. Dabei bleibt immer das im Verborgenen, was auch fr Hannah noch nicht klar ist. So bleibt das Buch von Anfang bis zum Ende spannend, denn jede Information ist natrlich nach beiden Seiten offen. Was mir noch sehr gut gefallen hat, ist, dass Hannahs Gedanken bezglich ihres Gewichtes und dass, was Dicke in unserer Gesellschaft durchmachen, so feinfhlig beschrieben ist. Nie hat man das Gefhl, dass man in ein Klischee herein geraten ist oder dass Hannah mit ihren Gedanken bertreibt. Ein lesenswertes Buch, bei dem es nur eine Kleinigkeit gibt, die mich strt, es gibt ein schwebenes Ende, d. h. Man wird auf den Nachfolgebund Fall to You hei gemacht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing and unputdownable Von Yvi So..... Oh my, this series! I started reading "Lost in Me" cause it came up in my book roulette (a game I'm playing with Julie whenever I can't decide what to read next). And I'm super glad it did! From the first moment on, I was captivated by the writing and the story. And it didn't let go until I finished all three books. I went and bought book two and three and managed to read all three books in two days I think. It's THAT good. So, where to start... the story itself: Hannah wakes up with amnesia after falling down the stairs... or so it seems. Figuring out what happened to her that fateful night is one big issue that this series deals with, but boy let me tell you, it's not the only problem that Hannah has. So after Hannah wakes up with no memory of the last year, there are two main problems she has to deal with. And they both have names: Max and Nate. And she cannot believe it. Max is the one she always wanted, the one that (as far as she can remember) never so much as looked at her, and now he's by her side, taking care of her the way a fianc would. Because apparently, that's what he is. Hannah is so spooked and surprised by this, that it takes a while to get over that shock. And then there's Nate.... HOLY MOLEY! So I was team Nate from the beginning. There was just something about the way he was introduced in the story that struck a cord with me. And also with Hannah, because while she does not have any idea who Nate is, her body and heart recognise him on some level. And that freaks her out! Cheating on her fianc?? Is that really who she had become in the last year?? And it's a rollercoaster ride from there on. Once Hannah figures out how Nate fits into the picture, it's up to her to figure out which man will have her heart in the end, and who's heart she's gonna break. And I can tell you, she broke my heart in between as well. You're like the sun-completely blind to your own beauty because you are so busy making everyone around you shine. No matter how far we hide in the shadows, you share your light. That's how you stole my heart when no one else could find it. This was a story that will leave you breathing heavy with the emotions that are portrayed in the books, the twist and turns, the revelations and everything in between. I still feel my heart melt, break and be put back together, only to break again! Let's just say it was not easy getting through those books... in a VERY good way though. Hannah herself is so amazing, because she's real. Absolutely real. Everyone of us has dealt with weight issues, and Hannah is a prime example of finding herself, of realizing that weight isn't everything and that personality counts for so much more than the perfect weight. This is a big thing I liked about this book as well. With all the heartbreak, the definitely swoon-worthy main characters and the amazing story, I can only HIGHLY (and when I say highly I mean HIGHLY) recommend this book to everyone! You won't be able to put it down, because if you think you can stop after reading book one, think again. Ever heard of something called a cliffhanger?? Now go and read it!!!!

Kurzbeschreibung Sexy, twisty and utterly addictive, Lost in Me will consume you until the final page. Clear your schedule. An amazing read! NYT Bestselling Author Kendall Ryan Lost in Me is the first book in the USA Today Bestselling Here and Now trilogy. This sexy amnesia love triangle is intended for mature readers. The last thing I remember is having drinks at Bradys and trying to avoid eye-contact with my life-long crush the gorgeous, unattainable Maximilian Hallowell. They tell me that was a year ago, but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me, and this much-thinner body I've dreamed of most of my life. Aside from a case of retrograde amnesia, everything seems almost... perfect. But the deeper I immerse myself into this new world of mineplanning a wedding to a man I don't remember dating, attempting to run a business I don't remember starting the clearer it becomes that nothing is as it seems. Do I have the life I've always wanted or is it a facade propped up by secrets I don't even know I have? I need answers before I marry Max, and the only person who seems to have them is the angry, tatted, sexy-as-sin rocker Nate Crane. And Nate wants me for himself. Lost in Me is not a standalone novel, as the story continues in Here and Now book two, Fall to You, and concludes in book three, All for This. The entire trilogy is available now.
