Von Lauren Royal : Lost in Temptation (Regency Chase Family Series, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lost in Temptation (Regency Chase Family Series, Book 1):

Kurzbeschreibung A Top 10 Kindle Bestseller from a New York Times Bestselling Author! England, 1815: The eldest of three sisters, Lady Alexandra Chase has always done what was expected of her. But when the man she's loved since her girlhood returns from a long spell abroad, she quite suddenly finds herself hoping the fine lord her brother has picked for her won't propose. She decides that if he does, she'll quite improperly turn him down that is, until the man of her hopes and dreams informs her he has no intention of marrying her. The last time Tristan Nesbitt saw Alexandra, he was a common man with no hope of ever wedding the daughter of a marquess. Seven years later, he's now Lord Hawkridge, which should make him eminently suitable for the woman who long ago captured his heart. But a dreadful scandal has tarnished his name in England a scandal so horrid that marrying Alexandra would ruin not only her flawless reputation but her whole family. For Alexandra's own good, he must fight his relentless desires and stay far away... PLEASE NOTE: This book contains steamy love scenes. Now, seven years later after meeting again, Alexandra discovers that her feelings for Tristan have not diminished. The one thing that has changed is that Tristan, with his sudden rise in station to Lord Hawkridge, is now a perfectly acceptable suitor. Then Tristan cruelly dashes all of Alexandra's romantic hopes by informing her that they can never wed since the scandal surrounding his sudden inheritance threatens to ruin any woman he marries. Despite what Tristan may think, Alexandra knows he is the only man for her, and she is determined to do whatever it takes to change his mind. After brilliantly evoking the splendor of Restoration England in her six previous books, Royal brings her flair for mixing richly detailed historical settings with sinfully sexy romance to the Regency world in the beguiling start to a new trilogy featuring the Chase sisters.
