Brilliant, Angsty and filled with Chocolate :) Von ATRI enjoyed this book a lot and found it extremely difficult to put down. The writing is super clever and it is very easy to like the main character and I guess anyone could find a bit of themselves in Serena. The book is excellent and a must read for romance lovers. Can't wait for the next book from this

WHAT ON EARTH IS HER PROBLEM?Von Julia WeidnerOver the last few years i have a read quite some NA Novels, but this was by far one of the most disapointing Books. I really dont understand what Serena's Problem is. Yes, James is a mess but he is trying so hard to change for her. She is so bitchy and demands for him to tell her he loves her after only like 5 Weeks... when he is not able to say those words she leaves him.Their on and off again Relationship is so stupid and i really wanted to shake both of them for their Behaviour, although Serena was the one i was more annoyed of. Sorry, but this was really not worth anything. I would not even give one Star, if this was possible.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sexy, gefhlvoll und fesselnd!Von Kindle-KundeStandalone mit HEA, aber ich werde trotzdem die nchsten Teile lesen. Die Hauptcharaktere der folgenden Bnde lernt man schon in diesem ersten Teil kennen und lieben. Es geschieht nichts, was einen total berrascht, aber ich konnte mein Kindle nicht aus der Hand legen - und das ist doch, was ein gutes Buch ausmacht :)
