I recommend this series to anyone whos up for a sweet love story driving on a bumpy road but willing to find a happy ending.Von LivI really enjoyed this book. The writing is as capturing as it was in the first two books.We get to read

about some really lovely moments but at some parts - especially in the middle - there isn't much happening. A lot of sex like in the first two books. Steamy but I find it tedious that there is a sex scene in every few pages. It sometimes felt like they were thrown in everywhere possible as page fillers, even though they aren't badly written, it was just slightly too often for my liking. Serena Grey really knows how to create her characters and makes them lovable for us readers. I enjoyed reading about every single one of them, even Jack's mother or Evans Sinclair. If good or bad, the characters are convincingly created. This book was enthralling closer to the end. I loved the beautiful ending and the epilogue was so sweet. At about 78% I loved the story till the end because it got a lot more to it than just sex. There was some emotional rollercoaster going on. Beginning and ending in this book was super. The middle part was good.-- I received an ARC of this book from the author through the Fifty Shades Support Group on Goodreads in exchange for an honest review. --

Kurzbeschreibung The conclusion of the Swanson Court Trilogy. One night. One love. One heart. One forever. What do you do when you take a leap of faith and don't get what you expected? You move on. That is exactly what Rachel plans to do: put aside her heartbreak and concentrate on her work and the people she loves. But Landon is not easy to forget. When he reappears in her life, is he offering the perfect ending she wants more than anything or just another flirtation with heartbreak, pain, danger, and devastating loss? *Lost In You* is the final part of the Swanson Court Trilogy by Bestselling author Serena Grey. It is a contemporary romance novel and contains steamy sexual situations not suitable for ages 18 and below. The first part of this series is currently free on all ebook sales channels.

ber den Autor und weitere Mitwirkende Serena Grey has always loved to read. These days she also writes, because the stories in her head won't leave her in peace otherwise. Even though she loves all kinds of fiction, she has a soft spot for love and romance, and that flush of pleasure that can only be found at the end of a beautiful love story. When she's not reading and writing, she enjoys cocktails, coffee, numerous TV shows, and has never gotten over her crush on LDC. If she had to choose between a good book and ice-cream, she'd take both and make a run for it.
