Excellent love story and account of human natureVon Ein KundeFor Dumas lovers this is a great addition to any bookshelf. It is the second and third volumes of the Vicomte de Bragelonne series and further chronicles the exploits

of the four musketeers and human nature in general. Centered around the court of Louis XIV. it is a very descriptive and poetic in its account of France and royal court. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Very Good Book Von Ein Kunde Louis De Lavalleire by Alexandre dumas is a wonderful book. It is an inspiring love story and adventure story all in one. I've never read such an amazing story.

Kurzbeschreibung The final volume of D'Artagnan Romances: it is usually split into four parts, The Vicomte de Bragelonne, Ten Years Later, Louise de la Valliere, and the final portion is entitled The Man in the Iron Mask. Pressestimmen one of the very best of the series, mixing amorous and political intrigue with an elan peculiar to Dumas ... this quasi-historical series remains remarkably readable * The Irish Times (Dublin) * Kurzbeschreibung The final volume of D'Artagnan Romances: it is usually split into four parts, The Vicomte de Bragelonne, Ten Years Later, Louise de la Valliere, and the final portion is entitled The Man in the Iron Mask.
