VolltrefferVon CustomerKam durch einen Vorschlag von an das Buch und da mir die Beschreibung zusagte und es kostenlos war, habe ich es runtergeladen. Nun kam ich endlich dazu es zu lesen... und habe genau gefunden was ich gesucht habe! Eine Geschichte die nicht episch ist, sondern kurz und kurzweilig, die dem Gehirn nicht zu viel

abverlangt und einen beim Lesen die Zeit vergessen lässt. Danke Frau DeLeon für die Mhe, es hat mir sehr viel Spaß gemacht das Buch zu lesen!!!! Das Englisch ist sehr leicht zu lesen für meine Begriffe, zumindest verglichen mit Diana Gabaldon, Jeffrey Deaver oder Helen Hollick. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nach einer langen Suche endlich ein lustiges Buch für Stephanie Plum Fans Von Bianca Kchl Endlich ein englischsprachiges Buch das leicht verständlich, witzig und spannend zu gleich ist. Ich werde sicher Fan der Serie! Wer auf Janet Evanovich steht, ist hier auf jeden Fall gut aufgehoben! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Charming and funny Von maria schdlich This book really is a good read. It's funny, I loved the characters and the story was nice, too. I'll definitely purchase the next one, too.

Kurzbeschreibung It was a hell of a long shot.... CIA assassin Fortune Redding is about to undertake her most difficult mission ever in Sinful, Louisiana. With a leak at the CIA and a price placed on her head by one of the world's largest arms dealers, Fortune has to go off-grid, but she never expected to be this far out of her element. Posing as a former beauty queen turned librarian in a small bayou town seems worse than death to Fortune, but she's determined to fly below the radar until her boss finds the leak and puts the arms dealer out of play. Unfortunately, she hasn't even unpacked a suitcase before her newly inherited dog digs up a human bone in her backyard. Thrust into the middle of a bayou murder mystery, Fortune teams up with a couple of seemingly sweet old ladies whose looks completely belie their hold on the little town. To top things off, the handsome local deputy is asking her too many questions. If she's not careful, this investigation might blow her cover and get her killed. Armed with her considerable skills and a group of elderly ladies the locals dub The Geritol Mafia, Fortune has no choice but to solve the murder before it's too late. What authors are saying: "Southern wit at its best!" - NYT Bestselling author Gemma Halliday "Sinfully funny!" - NYT Bestselling author CC Hunter/Christie Craig What readers are saying: If you like Janet Evanovich's Stephanie Plum series, you'll love Miss Fortune. This was a hoot!!! If you like mysteries and Southern eccentrics, this is the book for you. More twists and turns than the Louisiana bayou. It has a flavor of Miss Congeniality, but it is much more than that. I read this book in one night, unable to put it down because I couldn't wait to see what happened next. I've rarely thanked writers for the entertainment they provide. Nevertheless, I feel strangely compelled not only to thank this author, but to recommend this book to everybody and anybody I give it five laugh out loud stars!

ber den Autor und weitere Mitwirkende Jana DeLeon grew up among the bayous and small towns of southwest Louisiana. She's never actually found a dead body or seen a ghost, but she's still hoping. Jana started writing in 2001 after attending a funeral, but that's a whole other story. She focuses on murderous plots set deep in the Louisiana bayous and the secrets that lie just beneath the surface of small towns. By day, she writes very boring technical manuals for a software company in Dallas.
