stuff in this book I want more. Lindsey is not your ordinary woman; even though she craves normalcy. Her life is filled with destroying the evil that walks the human realm. Lindsay is a daughter of a light fae and vampire but she is not aware. She was destined to do greatness in the world. She has been charged with keeping the balance between good and evil. The evil presence that haunts her are trying to prevent her from marrying or mating with a Prince. Lindsey has never had it easy. A stranger enters her world and turns it upside down. Exavier Kedmen is a hot sexy front man of a band that unbeknownst to Lindsey is the one that she loves. Exavier pals around with her to get to know her and find out some details about her past. Strangely enough Lindsey does not mind. Within a few hours Lindsey's world is turning upside down. The adventures of one day were jammed pack. Mandy Roth has done a great job of keeping all of the characters in order. They are detailed and add a lot of back story to the main character. There is a lot room for growth for additional stories to branch off of this one.

KurzbeschreibungRockstars, dark princes, werewolves, vampires and fated mates... what is a girl to do?Lindsay Willows craves a simple life. One where she can make a difference without drawing too much attention to herself. As the daughter of both a vampire and a fae, the cards were already stacked against her. Finding out she's the supposed mate of a dark fae prince doesn't help matters. Especially when there are those who will stop at nothing to prevent her from mating with a prince she's never even met. When Exavier Kedmen, the incredibly sexy front man for a world-famous band, shows up wanting her to go back to working in a field she left three years ago, she can't explain the strong feelings that surface for a man she barely knows. Lindsay finds herself confronting demons from her past, coming to terms with the ones in the present, and finally looking forward to a future with the man she was created for. And she discovers evil doesn't care who it hurts to obtain its goals, but even the vilest of things fear something, or in the case of Exavier, someone.
