**Von Shirl Henke : Love A Rebel...Love A Rogue (Blackthorne Trilogy Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Love A Rebel...Love A Rogue (Blackthorne Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. two good stories in oneVon Ein KundeThis was an interesting, enjoyable book. I liked Quint even though he was usually

nasty to Madelyne. That was the problem I had with the book and why I could not give it five stars. Quint is nasty to his wife and untrusting. He leaves her for long periods of time, questions the legitimacy of his son and virtually anything that his wife says. I think that would be very, very hard to love. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wonderfully written. Von Ein Kunde Mrs. Henke does a wonderful job, she has masterfully created two romance stories in one! It does switch from one couple to another, but not in a way that confuses or irritates! She has created wonderfully rich and in-depth characters that you will remember long after you turn the last page!!
