Von Elizabeth Powers : Love and Chaos (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Love and Chaos (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wunderbar geschriebene Liebesgeschichte ohne Instant-Liebe Von Bcherliebe Dieses besonders feine Buch mte ich gleich in einem Rutsch durchlesen. Die Titelheldin, eine schlaue Anwltin, wird in eine auf drei Jahre begrenzte Ehe mit

einem reichen Finanzmogul gentigt. Sie lt sich darauf ein, um ihrer Schwester aus der Patsche zu helfen. Der Mann ist zwar ein hbscher, aufrichtiger Mensch, der sich selber aber Gefhle verboten hat. Obwohl sich aufgrund des Zusammenlebens langsam eine richtige Beziehung entwickelt und beide eine Anziehung verspren, halten sie Abstand zueinander. Besonders die Frau bleibt ihrer berzeugung treu, denn sie ist sich fr bloen Sex zu schade. Das Buch lebt von den vielen guten Dialogen zwischen dem Paar und den anderen Familienmitgliedern, z.B. wurde die coole Oma oder die garstige Schwiegermutter gekonnt mit einbezogen. Ich fand die Entwicklung die das Paar durchmacht sehr lesenswert und nachvollziehbar, es regt zum Nachdenken ber den Sinn von Beziehungen an.

Kurzbeschreibung Emma Jameson is pretty darn happy with her life. She has a good job, a loving family, a decent social life, and a dog who simultaneously adores her and keeps her yard free of squirrels. But with the help of fate and her irresponsible older sister, she gets tossed into the middle of a mess, and comes out on the other side married to Mason, a stranger who makes a cement block look emotional. And let's face it, while her new husband is hot, that doesn't even begin to make up for the fact that he doesn't like dogs, and shows an equal aversion to all things messy and disordered. Too bad Emma named her beloved dog Chaos for a reason, and if she's moving into her new husband's house, the dog is moving in with her. While Emma is learning to live with an incredibly sexy but detached man, she's also faced with the disappointment of her martini-swilling grandmother (who dreamed of a wedding for Emma with a white dress and an open bar), a disapproving mother-in-law (who is convinced that Emma is a heartless gold-digger), and the kid next door who desperately wants to be a vet but finds himself next-in-line to take over his father's meat-distribution company. And Mason, God bless him, is slowly learning that order and serenity are less appealing than he'd once thought, particularly when love and Chaos are on offer. Read Jen's story in "Love and Mussolini," now available on Kindle!

ber den Autor und weitere Mitwirkende Elizabeth Powers has been writing since she was a child, mostly because she couldn't imagine not writing. She models the animals in her stories after her own furry household members, and she and her husband live in upstate New York.
