Von Lisa Genova : Love Anthony (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Anthony (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. ein ganz wunderbares BuchVon LeLaLove Anthony ist ein sehr behrendes, aber auch aufklrendes Buch, was Autismus anbelangt.Aus der Sicht des betroffenen Kindes und der ebenso betroffenen Mutter ein Stck Lebens- und

Liebesgeschichte, die mal wieder zeigt, dass man auch ein "nicht ganz perfektes" Kind ber alles lieben kann - aber auch, wie schwer dies manchmal sein mag, wenn vom Kind vermeintlich nicht so viel zurck kommt. Groartig und sehr, sehr lesenswert!

KurzbeschreibungFrom bestselling author and neuroscientist Lisa Genova whose novel Still Alice is now an Academy Award-winning film starring Julianne Moore comes a novel about autism, friendship, and unconditional love. Look for Lisa Genova's latest novel, Inside the OBriens, available now. In an insightful, deeply human story reminiscent of The Curious Incident of the Dog in the Night-Time, Daniel Isn't Talking, and The Reason I Jump, Lisa Genova offers a unique perspective in fiction the extraordinary voice of Anthony, a nonverbal boy with autism. Anthony reveals a neurologically plausible peek inside the mind of autism, why he hates pronouns, why he loves swinging and the number three, how he experiences routine, joy, and love. In this powerfully unforgettable story, Anthony teaches two women about the power of friendship and helps them to discover the universal truths that connect us all.

Pressestimmen "There's a point in the narrative where one of the characters becomes so engrossed in reading a book that she loses track of time. Readers of Genova's latest excellent offering might very well find the same happening to them." (Kirkus) "Lisa Genova's novels ring true. Love Anthony, like Genova's two previous novels, is beautifully written, and poignant to the point of heartbreak... Anyone who has had even a passing contact with an autistic child will relate." (USA Today) Writing with deep empathy and insight, Genova has created an engaging story that fearlessly asks the big questions. (Booklist) Autism is like a Zen koana riddle without answers..., with effects that are myriad, mysterious, and confounding. The same could be said about love. This book upended my perceptions of both conditions, leaving me feeling with my mind and thinking with my heart. Everyone should read this book!" --Jamie Ford, New York Times bestselling author of Hotel on the Corner of Bitter and Sweet "Lisa Genova has essentially created her own genre, the 'Lisa Genova' novel, in which complicated topics become accessible to readers through beautifully-drawn characters and profound, human-scale stories. Love Anthony dares to ask enormous questions, the big questions that bedevil all of us. Better yet, Genova has the wisdom to know which ones can be answered, and which cannot." --Laura Lippman, New York Times bestselling author of And When She Was Good "Love Anthony broke my heart in the best way! I read it spellbound and breathless. If you don't know Lisa Genova's work already, meet your new favorite writer, storyteller, enchanter." --Heidi W. Durrow, author of The Girl Who Fell from the Sky, Winner of the Bellwether Prize Genova's deep and empathic insight once again has blown me away -- particularly her intensely accurate portrayal of autism parenting. Her characters are complicated people, with unique, believable and, sometimes frustrating struggles. But perhaps Genova's true mastery is in the way she never fails to give us very real people to love. --Susan Senator, author of Making Peace With Autism
