THOROUGHLY SATISFYING DELIGHTFUL READVon Ein KundeMs. Busbee really knows her stuff when it

comes to telling an engrossing tale. Chock full of plot, details romance! I read this book both from a reader and an author's point of view. Every time I would think to myself, if I were writing this I'd have such such happen--Ms. Busbee would follow thru on my hopes. No disappointments in this book. Set in Historical New Orleans, shortly after the Louisiana purchase, the people behave as they would in those times. The story centers around Micaela Dupree a beautiful French Creole and Hugh Lancaster a handsome American. The Dupree family is quite put out when Hugh Lancaster is granted shares in the company the Dupree Lancaster family jointly own, and discover Hugh is going to move to New Orleans. The company has been losing business and Hugh is determined to uncover the reason why. Plots abound among the Dupree men and their friends. Micaela's honor reputation are compromised, a duel is fought, and lovers' secrets are revealed all in timely fashion. Micaela Dupree makes a marvelous, spirited heroine, as smart as she is sassy, and Hugh is a very likeable hero. I especially liked Hugh's tenderness and concern as well as his passionate feelings of love for Micaela. The erotically romantic scenes between Hugh Micaela are especially well written.

Kurzbeschreibung Hugh Lancaster and Micaela Dupree were enemies from the start. Hugh, a handsome American, is convinced the Dupree family is skimming profits from his New Orleans trading company and that someone is out to murder him. Micaela is a proud Creole who resents America's new ownership of New Orleans, and resents Hugh for daring to look over her family's shoulder. But nothing can quell overwhelming passion, despite the pair's struggles to resist. Caught in a compromising situation, Hugh and Micaela are forced to marry, only to discover love in each other's arms and that the murderer has designs on them both. REVIEWS: "...a passionate tale sure to keep readers engrossed." ~Rendezvous THE LOUISIANA LADIES, in series order Deceive Not My Heart Midnight Masquerade Love Be Mine MEET SHIRLEE BUSBEE New York Times bestselling author Shirlee Busbee is celebrating 50 years of marriage to her husband Howard, and looking forward to another 50. Synopsis The conflict between the refined Micaela Dupree and family business partner Hugh Lancaster is increased by Hugh's bold advances toward Micaela, and the uncovering of a plot that would leave Hugh dead and Micaela's life ruined, forcing them to choose between fear of betrayal and their passions for each other.
