A welcome surpriseVon KatziAt first I didn't think I was into this book, as I am not into Highlander romance but I love time travel and started reading anyway. But the author really surprised me, the plot was exciting and the characters were well-developed and very likeable, although I liked Blair better than Bri. This is why I can't wait to read the next book of the series!0 von 0 Kunden fanden die folgende Rezension hilfreich. Mittelmige LektreVon Mandy DanzLiterarisch nicht sehr anspruchsvoll. Die Geschichte bedient viele Klischees, lsst sich jedoch an kalten, kuschligen Winterabenden ganz gut lesen. Werde mir vielleicht die Fortsetzung bestellen, denn manchmal braucht das Herz ein wenig Nahrung, auch wenn der Geist auf Standby gestellt wird.

I haven't enjoyed myself reading a book this much in ages and I actually sat down to start reading it, and didn't stand up again until I was finished - I had to know how it ended. This book gets five hunky Scotsmen out of five." - Chelsey of Pure Textuality "The storyline of the book drew me in and kept me interested until the last page." - Lorna of Pure Textuality "The story captured me and I read it in just a couple of sittings. I could have read it straight through, but... I did not want the story to end! The writing was excellent, the characters were lovable, and the story was interesting.As I drew near the end of the story, I entertained several possible conclusions, but the author does not tip her hand, holding the reader in suspense." - David Burnett of The Kindle Book "Bethany Claire has brought readers the ultimateromantic fantasy in this time traveling romance filled with adventure, excitement, love, drama, and broken hearts. The characters and scenes within each chapter are filled with so much vividness that the reader is unable to put the book down." - ed by Michelle Robertson for Reader's FavoriteKurzbeschreibung#1 Bestseller in Time Travel Romance by USA TODAY Bestselling Author, Bethany ClaireDo You Love Scottish Time Travel, Sexy Highlanders, Romance, Magic, and Mystery?
