Von Karin Kallmaker : Love by the Numbers (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love by the Numbers (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Wunderbares Buch ber die LiebeVon BenGunDr.Nicole Hathaway ist Professorin fr Neurobiologie und eine "Schrank-Lesbe". Nur gelegentlich gnnt sie sich einen Streifzug durch Bars, wenn sie dienstlich unterwegs ist. Ihr zunchst rein wissenschaftliches Buch ber die biologischen, chemischen und psychologischen Erfolgsfaktoren von Beziehungen entwickelt sich unerwartet zum Bestseller, weshalb ihr Verlag sie auf eine Lesereise kreuz und quer durch Europa und USA schickt.Nicole hat bisher noch jeden Assistenten vergrault und als der Verlag ihr Lily Smith zuteilt, ist Nicole wenig begeistert, da sie Lily fr eine Barbie hlt. Auf der Europareise entpuppt sich Lily aber immer mehr als

unentbehrliche Hilfe, die durch ihre Sprachkenntnisse und organisatorischen und menschlichen Fähigkeiten glänzt. Lily ist eigentlich auf der Flucht, da sie unschuldig wegen finanzieller Machenschaften ihrer Eltern von einer Reporterin und aufgebrachtem Anlegern verfolgt wird. Sowohl Lily als auch Nicole verschweigen einander ihre sexuelle Orientierung. Dennoch wächst die gegenseitige Anziehung und Zuneigung immer mehr, je länger die Reise dauert. Ein familärer Notfall in der Familie von Nicole zwingt beide schließlich zu einer Entscheidung. Ein wunderbares Buch über die Liebe und die Unmöglichkeit, diese in Formeln und Gleichungen darzustellen. Für mich neben "Unforgettable", "Painted Moon" und "Substitute for Love" das beste Buch von Karin Kallmaker. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A new Kallmakernot to be missed Von Renate Ziesche Finally got another Kallmaker romance and she did it again..she keeps the reader always wanting more and her twists are memorable If you are a fan of hers get it if you are new to her writing then it's a must!

Kurzbeschreibung 285 pages * 95,000 words As a behavioral scientist, Professor Nicole Hathaway's work strips away the foolish mystique that surrounds the human mating dance. When her academic tome is treated as a viral "love manual" her ecstatic publisher books her to appear all over the U.S. and Europe. Worse yet, her quiet, managed life has been shattered by a series of incompetent assistants. And she's certain this Lily Smith creature isn't going to be any less a burden than the last assistant they sent her. Or the one before that. Or before that... Lillian Linden-Smith needs this job. With a relentless TV lawyer and public mob still out for her blood for crimes committed by her "American royalty" parents, getting out of the country is her only hope for anonymity. If that means cleaning up and presenting an antisocial know-it-all Ph.D. for bookstores, clubs and lectures, fine. Dr. Hathaway may have succeeded in driving away all the others, but not this time. From their first meeting the sparks fly, and each is thinking: She has no idea who she's dealing with. It's hate at first sight in this love adventure from the author of Above Temptation, Roller Coaster and dozens of other best-selling, award-winning novels.
