Liebesgeschichte fr zwischendurch
Von Lara
Bei diesem Titel konnte ich einfach nicht nein sagen, darum hatte ich mich nach einem kurzem Blick auf die Inhaltsangabe ans Lesen gemacht. Grundsätzlich handelt es sich bei diesem Buch um eine Liebesgeschichte von 2 Personen, die ein unterschiedliches Verständnis bzw. einen unterschiedlichen Zugang zu Liebe haben. Auf der einen Seite der charmante Schokoladenhersteller, für den es Liebe auf den ersten Blick gibt, auf der anderen Seite die redegewandte Braumeisterin mit eigenem Lokal, die sich hinter ihrer Arbeit versteckt, damit von ihren Problemen abgelenkt wird. Die Hauptfrage ist also, können 2 solche unterschiedliche Personen ihre Vergangenheit soweit bewältigen, damit es auch eine Zukunft gibt? Natürlich wird die Antwort JA lauten, soll ja auch eine Romanze mit Happy End sein. Bis dorthin gibt es noch ein paar Verstrickungen, die man sich aber ziemlich schnell selbst zusammenreimen kann. So ist bis auf eine einzige Szene, die mit dem Vater der Protagonistin zu tun hat, das Buch sehr vorhersehbar. Der Humor in diesem Buch bringt dem Buch Lesespaß in verschiedenen Passagen, so kommt man auch über die etwas langweiligen Seiten gut drüber. Zusammengefasst, es ist eine nette Liebesgeschichte für zwischendurch, man darf aber nicht zu viel Handlung von dem Buch erwarten.

bit too long for my taste, but not bad at all on the whole
Von Hoener, Birgit
Dialogues between the two protagonists, and the information about making chocolates and beer. However, the prequel, which the reader is supposed to read before starting the proper story, nearly put me off - fast paced I do not mind, on the contrary, but the first chapters were way too confusing and forced. Also, I had the impression (and my apologies in advance to the author) that this was added as an afterthought and quickly put together without the diligence going into the proper story. It did slow down and get better after the first couple of chapters, though. All in all, I did like the story, the storyline was interesting, and the narration style fluent. Some things could have been shortened in my opinion, but that is a very personal view; I do think the story would have gained from being a bit shorter anyway. However, the opposite characters of the two protagonists, the "supporting characters", were all well developed and made reading the witty dialogues fun; the plot itself was interesting enough to captivate the reader up to the end. I would not mind reading more of this author.

Kurzbeschreibung-- A USA TODAY Bestseller --Cactus Creek's most romantic eligible bachelor, new-to-town and new-to-singlehood chocolatier Luke Bradford believes in old school romance, fighting wars waged over love, and deploying his dimples whenever an impossible-to-resist woman instigates it. But for once, this serial monogamist is trying not to platter up his heart to get stomped on for a change. That's the plan, at least. Until he locks horns with the feisty beer-brewing beauty next door, that is. Soon, driving the woman sparking nuts becomes a wickedly fun priority he simply can't get enough of. In his defense, she's addictively easy to incite and plain impossible to resist. Cactus Creek's award-winning brewmaster and town sweetheart Dani Dobson can't believe how good her maddeningly distracting new neighbor is at pushing her buttons. It's bad enough the unjustly gorgeous man comes locked and loaded with sexy flashing dimples and charm for days. But using all his chocolate-covered romantic idealism not unlike the kind her hearts been shattered by before to start a chocolate vs. beer feud right in her backyard? The nerve of that man. Inexplicable, downright combustible chemistry between them or not, damn it, this means war. The stakes? Very likely, her heart. **IMPORTANT AUTHOR NOTE** This is hands-down the most over-the-top of all my books (past, present, and future) in the sweet and mushy romantic department. A book about a brewmaster and chocolatier battling over Valentine's Day supremacy? Yeah, it was a given I was going to go all-out on the feel-good romance for this one. So be forewarned, this is *way* sweeter than all my other books (probably combined). If you're in the mood for a light and fun romance with lots of smiles and two stubbornly romantic characters who work hard for their happily ever after, this is the book for you! xoxo **THE CACTUS CREEK SERIES** Love, Chocolate, and Beer [Luke Dani] Love, Diamonds, and Spades [Rylan Quinn] Love, Tussles, and Takedowns [Hudson Lia] Love, Exes, and Ohs [Isaac Xoey] All the Cactus Creek books are standalone novels with feel-good HEAs. :) Enjoy!

NEW YORK TIMES USA TODAY bestselling author Violet Duke is a former professor of English Education ecstatic to be on the other side of the page now writing emotion-rich stories with fun, everyday characters and sweet, sexy match-ups. Since her debut series in 2013, readers from around the world have put all four of Violet's laugh cry contemporary romance series on bestseller lists and Top 10 charts across the major retailers, both in the U.S. and internationally. When she isn't feeding her book-a-day addiction, Violet enjoys doing far too many things without checking the directions first (often with outrageous power tools she has no business operating), and cooking impossible-to-replicate 'special edition' dishes that laugh in the face of recipes. She lives in Hawai'i with her kids (Violet Duke) and Mr. Violet Duke (their ringleader), with a PJs-and-rubber-slippers work dress code she takes very seriously.
