Mandi Beck's "Love Hurts" had me hooked from beggining to the end and left me breathless with an awesome cliffhanger!The story is about Deacon (The Hitman) Love, a professional MMA fighter with a filthy mouth and sexy looks and the girl he is in love

with - his childhood friend Francesca De Rosa (Frankie), a beautiful professional dancer. The moment Deacon realizes that he is losing his girl because he didn't claim her for himself is at her birthday party when her boyfriend Andrew proposes to her. In an attempt to save the situation he kisses her and tells her about his feelings wanting her to call off the engagement. Frankie returns the kiss but is confused and pissed that it took Deacon so long to say something and is now afraid of losing his friendship. Deacon leaves for his next fights and doesn't hear from Frankie for two months until an unexpected call for help from her shakes up his entire world. After surviving her personal hell Frankie is slowly recovering while Deacon is at her side trying to keep her safe. She is still not sure how she feels about Deacon and if she wants them to be together. Deacon makes his feelings clear: "I'm here because I love you. That hasn't changed. Only the way I love you has." And there is also Christiano, her ex-boyfriend, who is back and wants Frankie for himself! Deacon is jealous, he can't stay away from Frankie any longer. "I can't deny myself anymore. Stop making me deny myself, Frankie. I don't like that". Because of a rumor he makes a mistake, which he soon realizes and regrets. Will it cost him the woman he loves or will they find their way to each other again? Can Deacon really protect Frankie from the person who almost killed her? In order to find it out, you need to read this book! Let me tell you that Deacon and Frankie have over the top amazing chemistry. I love their wrist-kissing thing! It was such a beautiful and intimate gesture. I can't wait for the next book because I need to know how their story continues. I recommend this book to everybody! Congratulations Mandi Beck on a great debut!

Kurzbeschreibung Even when she wont fight for us, Ill go to war for her Inside the Octagon, I have no fear. Im at home, in my element, inflicting pain onto men trained to hurt me just as badly. Making them submit, knocking them out, maiming them, because its them or me. And I choose them. Outside the Octagon, my only weakness is a five-foot-two, classy as f*ck woman that Ive loved for most of my life. Shes the one that brings me to my knees, fills my arms, my heart, and one day soon, my bed. She makes me reckless. Volatile. I drink too much and try too hard to f*ck my way out of feeling all because of her. Frankie De Rosa is my girl, my best friend. I havent earned her yet, but I wont stand by and let anyone take her from me. She will be the greatest fight of my life, but shes worth the battle. Love hurts, but anything worth having does, right? Im Deacon The Hitman Love Welcome to the Cage. Kurzbeschreibung Even when she wont fight for us, Ill go to war for her Inside the Octagon, I have no fear.
