Von Emma Calin : Love in a Hopeless Place (The Love in a Hopeless Place Collection Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love in a Hopeless Place (The Love in a Hopeless Place Collection Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Highly RecommendedVon AnneliIn the novelette "Love in a Hopeless Place," Lyn is an ordinary person working in a blue-collar job. Author Emma Calin skilfully draws the reader into the personal life of this warehouse worker, sharing with us Lyn's innermost emotions and desires. She takes us on a journey through a series of life-changing events as they are experienced by our main character. The detailed delivery of Lyn's intimate thoughts and feelings is so precise that we easily identify with her and are concerned for her future and her well-being. We worry for Lyn, smile and cry for her, and we applaud her courage in taking a step to find happiness after years of self-sacrifice and denial. I thoroughly enjoyed "Love in a Hopeless Place" and highly recommend this excellent novelette to other readers.

KurzbeschreibungA mature woman stumbles into a discovery of herself that she had never suspected.Dare she give in to love? Will sexual passion and fear overwhelm her stable life? Who can she trust to love her for herself? Story #5 in Emma Calin's 'Love In A Hopeless Place Collection'. As Lyn's previous life crumbles behind her an unexpected and inappropriate ally appears from the rubble to help her onwards. Maybe now she will be free to explore her new world in which she is still an innocent?Her own desires and their uncontrollable consequences leave her no option but to go forward. Even as her emotional and sexual need drive her on, there are no certainties ahead. An unexpected ally provides physical support yet perhaps an inappropriate comradeship.A novelette from Emma Calin, author of award-winning #1 best selling short stories 'Sub-Prime' and 'The Chosen'.Popular Quotations from 'Love In A Hopeless Place'"To want is easy. To be wanted is a delicious warm bath but with someone else's hand on the hot tap." "It was a conscious act, to put a frame around the moment so that I could keep it separate and savour it." "The release of a woman was a cry and a burrowing down into that crimson infinite labyrinth of love and its angels of sorrow." s:"A brave little work, well written, with a nice tangy after burn." "Gritty, urban and with an inherent `seediness'; there is some powerful dialogue and the author does a superb job of tapping into the inner core of some pretty raw emotion." "Author Emma Calin skilfully draws the reader into the personal life of this warehouse worker, sharing with us Lyn's innermost emotions and desires."
