Also wirklich schön zu lesen. Ist ein abgeschlossenes Buch!

Kurzbeschreibung Never has the Philadelphia legal community generated so much passion -- it has to be the fictional world of former lawyer Magdalen Braden, who introduces us to The Blackjack Quartet with the story of a law student who discovers Love in Reality ...TV producer Rand Jennings isn't looking for love -- he's looking for a flirty female contestant for his reality show, The Fishbowl. Pretty bartender Lissa Pembroke is bright, outgoing, and the perfect "Fish" to play the part. Although sparks fly between them when Rand approaches her with the role, she wants nothing to do with him or his show ...Law student Libby Pembroke is too busy with school and work to have time for love -- or reality TV. She's temporarily switched places with her identical twin sister Lissa, balancing Lissa's job with her own studies and preparing for a summer internship. So while the handsome and charming Fishbowl producer knocks Libby off her feet, there's no way she's going on national TV, and acting like, well, her sister. The irresistible chemistry between Libby and Rand can't be ignored, however, and soon Libby discovers that pretending to be Lissa gives her a freedom she's never known before. She goes on the show to be close to Rand, even though Rand still thinks she's the "flirty" twin. When Libby decides to reveal the truth, will Rand forgive her deceptions? Or will exposing her secrets -- and her heart -- ruin everything?

ber den Autor und weitere Mitwirkende After pairing up lawyers romantically in her head for fifteen years, Magdalen Braden traded in her job as an attorney to set her inner matchmaker free. Today she draws on her past adventures in a Philadelphia law office to write her sexy contemporary romance series, The Blackjack Quartet. Blackjack Moonlight, the third installment in the series, was a finalist in the prestigious Romance Writers of America Golden Heart contest in 2012. All four books contain love, romance, and a solid dose of legal humor. Magdalen fuels her creativity by attending the University of Southern Maine's Stonecoast MFA program and blogging about the romance genre at Promantica.com. As president of her local Romance Writers of America chapter, Magdalen gives back to the writing community and helps other authors reach their dreams. When not writing or studying, she enjoys spending time with her crossword-loving husband, their Rhody-mix dog, and two ever-present cats in the Endless Mountains of Northeast Pennsylvania.
