Von Jan McBride MD : Love Instincts: The Romance of Sex (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Instincts: The Romance of Sex (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The somewhat different love storyVon GatalinaI found this book quite interesting. It is a love story with a little twist because it makes you think of human behavior and how different the strategies of men and women are. I'm a scientist,

but you don't need to be one to enjoy this book. I'll definitely encourage my teenage daughter to read it.

KurzbeschreibungSeventeen-year-old Doug Goodwins handsome smile and flashy sports car help him get any girl he wantsuntil Vindi shows up at school. She is blonde, gorgeous and Swedish, and immediately lets the boys know that she is in control of their game.Doug's pursuit of Vindi is frustrated by mysteries of her past and present, and her ability to resist his charms. When he finally learns her hidden secrets, his world of using women for his own pleasure is turned upside-down, and he realizes he must make a decision.RATING: There is a lot of talk between the characters about sex, but no descriptions of sexual encounters beyond kissing.KurzbeschreibungSeventeen-year-old Doug Goodwins handsome smile and flashy sports car help him get any girl he wantsuntil Vindi shows up at school.
