brand new series, I couldn't put it down one damn second. Who needs sleep? Sleep is overrated anyway. John Wiltshire made me virtually inhale the story, devour it. I've never heard from this author before but after only reading one of his books he became an auto-buy to me. You love dark? You love gritty? You love reading about a MC who seems to exist entirely in the shadows? You don't mind falling for guys who are trained to kill deliberately and don't fear to do exactly that? You love hot ex special forces guys falling in love? You love mystery/suspense novels mixed up with freaking hot M/M loving? Then the More Heat than the Sun series is the perfect reading choice for you. I won't go into details because I don't want to spoiler anything but let me say that Love is a Stranger is outstanding, it's brilliantly written and definitely the beginning of a series that is going to be one of my top favorites this year. Nik and Ben are great characters you can't not fall for them. Okay, at the beginning Nik is a real mystery, but give him a chance, don't let him fool you... OMG - you have no idea what he's been through. Now off to reading the second book of the series. Highly recommended! Note: Four books are out and John Wiltshire is currently writing the 7th book of the series, he said it won't be the last one. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach großartig... Von B. Wissner. dieses erste Buch in John Wiltshires "More Heat than the Sun-Serie". Bin ich froh, diesen Autor entdeckt zu haben. Ich habe in letzter Zeit kaum ein Buch gelesen, das mich so gefesselt hat; es packt einen und lässt nicht los. Ganz abgesehen von der Intensität der Geschichte und der interessanten Charaktere hat John Wiltshire ein Erzähltalent, das seinesgleichen sucht. Jedes Wort sitzt, nichts ist zu viel, nichts zu wenig. Er hat - mit diesem einen Buch - meinen bisherigen Lieblingsautor in diesem Genre (dessen Werke ich nach wie vor auch schätze) berholt. Hut ab, John Wiltshire. Die Bücher sind voll mit Action, aber auch diese ist in sich logisch; ich konnte keine Lächer im Plot entdecken, was leider nicht unbedingt selbstverständlich ist. Und die Hauptprotagonisten, Ben Rider und Nikolas Mikkelsen, sind sehr komplexe Charaktere; auch hier ist vieles nicht so, wie man denkt. Und natürlich, nicht zu vergessen, Radulf. Schade, dass es nicht die Möglichkeit gibt, mehr als 5 Sterne zu vergeben. Dieses Buch hätte es verdient. Absolute, uneingeschränkte Kaufempfehlung. PS.: Zum Glück hat John Wiltshire bislang schon 4 Bücher in dieser Serie geschrieben; das fünfte ist voraussichtlich am 20. Mrz verfügbar. 0 von 0 Kunden fanden die folgende Rezension hilfreich. That was so good Von Ich und Frau Schmidt That was so good. One of those books that should never end. Nik and Ben are exceptional. I enjoyed Ben's humor. And I reveled in Nik's secrets. I have marked so many quotes. An unusual journey. Full of excitement. Full of secrets. And full of love. I'm so glad that we still await some more adventures. That I have Ben and Nik just met. That I discovered John Wiltshire as a new favorite author for me. I owe John so many beautiful hours of reading. I enjoyed the book as a good wine. I felt very well entertained. And I thank Tina for this reading recommendation. Highly Recommended. Beautiful writing style. Best entertainment. And the guys ... I love them so much!

Kurzbeschreibung Loving a total stranger can be very hard work sometimes. How do you love someone who exists entirely in the shadows? How do you love a man who describes himself as dead? How do you get that ghost to love you back? Ex-SAS soldier Ben Rider falls in love with his enigmatic married boss Sir Nikolas Mikkelsen, but Nikolas is living a lie. A lie so profound that when the shadows are lifted, Ben realises he's in love with a very dangerous stranger. Ben has to choose between Nikolas and safety, but sometimes danger comes in a very seductive package. Kurzbeschreibung Loving a total stranger can be very hard work sometimes.
