**Von Roxann Hill : Love Is Pink!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Is Pink!:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Sehr zu empfehlen, da leichtes EnglischVon Books in a bagI really liked this book, espacially because it was proper to be read from an non-native speaker.The leading character happend to be kind of undislikeable to me. But somehow it doesn't influenced the story at all! Maybe that's because I liked the other important characters and the story was wonderful to

read. Also the spelling style of Roxann Hill fascinated me, so I can doubtlessly recommend this book!

Kurzbeschreibung Michelle has everything: good looks, a great job, a fancy apartment, and cash to burn. She also has a boyfriend, Valentin her dream man. There's just one tiny snag: his wife. Valentin promised Michelle that as soon as his children were grown, he would leave his marriage to be with her. But when the time comes and to no one's surprise but her own Valentin chooses his wealthy wife, leaving Michelle stranded in the French Alps. Michelle finds herself lost and without a way back to Berlin. Out of options, Michelle hitches a ride in a rickety pink Citron with the attractive but ostensibly penniless David and his precocious daughter, Emma. Over the course of their three-day trip, Michelle comes face-to-face with the life she's created. With David and Emma offering a fresh perspective, Michelle redefines what love is, and wonders whether it might truly be pink.
