Kurzbeschreibung Laugh-out-loud funny, this book is exceptionally good. Chick Lit Club Love, Lies and Lemon Cake is a hilarious, bittersweet comedy about taking your life back before its too late. Faye Dobson has lost her sparkle. Living on film star fantasies and vague memories of a marriage that once was, she cant help feeling that life is passing her by. She dreams of being whisked to Paris for dinner, making three wishes at the Trevi fountain and having sex under the stars. But the wrinkles are multiplying, her husbands passion is for plumbing, and the nearest shell get to Rome is a take-away pizza. So when Faye meets Dan the gorgeous Australian surfer guy working in the local deli she cant help but wonder what it would be like to see the world. He is blonde, tanned, ten years younger and bakes the most amazing lemon cake. Unlike her husband Dan actually listens to Faye, his smile makes her feel fizzy inside, and when he smiles... Oh. My. God. But is Faye being silly? What would Dan see in someone like her? Even if he did have feelings for her, could she give up everything to be with him?
