Kurzbeschreibung**AMAZON BESTSELLER**Gabrielle Willis is smart. She's funny. And oh yes, she's a bit klutzy. When Gabrielle left sunny California bound for the energy of Manhattan, she was willingly leaving the life she had known for the new life she would create. But was she really leaving something behind or was she running away? On the outside, Gabrielle Willis has it all under control. A new life in Manhattan, a great roommate, and a good job. But she is haunted. Haunted by a memory she's tried to forget and by a family who's abandoned her. But what happens when what's on the outside is only an illusion and in perfect contradiction to what's buried deep within? Enter Dane Rhodes. He's gorgeous, smart, and sexy as hell. Just what Gabby wants, or so she thinks. But when she meets Brad Dixon, the sweet guy with the crooked smile, he begins to make her see that the very thing she is trying to run from is the very thing that just may push her to see the light. **This book contains mature language and sexual content and is only recommended for readers 17 and older.
