Von Cathleen Ross : Love, Lust And Lies before purchasing it in order to gage whether or not it would be worth my time, and all praised Love, Lust And Lies:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice to readVon Volker Barththis story was good to read, but the author got carried away and packed a lot of cliches and dramatical actions in this story. it would not have been necessary. the main story and the ending (although i do not like

happy endings) were very believable. so in your next story please do not put too much clichés etc. in your story.

Kurzbeschreibung Family, friends, culture, and expectation clash in this heart-wrenching story of a broken marriage and the battle to repair it. Gabriella Vitadini thought she had the perfect marriage until her husband Tony stopped wanting her, and started wanting other women instead. Throwing him out of the house was the only thing she could do how does she throw him out of her heart? When a much younger man reminds her that she is still a desirable woman, Gabriella reminds herself that turnabout is fair play. But even a naughty fling can't eject Tony from her thoughts. What happened to their happy marriage? Why did Tony turn away from her? And is there any hope that they can find true love again? Praise for LOVE, LUST AND LIES: If you enjoy some spice, a little bit of comedy, and a solid story, give this book a shout.
