KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. It was a very good Betty Neels book.Von Ein KundeI liked the book, but then I love Betty Neels' books, I read everyone I get my hands on. It was a little shorter than most of her stories, because it is combined with another book. It was neat where she let you know a little more of what the Hero was thinking, than she usually does. If you really like Betty Neels, You will like this book.
