Groartiges BuchVon El LocoIch bin noch nicht ganz durch mit dieser Geschichte, kann mich aber kaum daraus lsen. Es ist bis jetzt (3/4 durch) sehr unterhaltsam geschrieben mit viel Wortwitz und sehr gewandter Ausdrucksweise.

Obwohl bislang an "Action" nicht viel passiert ist, ist die Atmosphäre dicht und der Spannungsbogen reißt nie ab. Inhaltlich ist Mystery bislang eher andeutungsweise vorhanden, der Stil erinnert eher an Krimis à la Agatha Christie. Sehr unterhaltsam alles in allem und - für einen Mann - ein schöner Einblick in die weibliche Psyche. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Thumping good read Von Bernie Martin I started to read this book whilst eating my lunch yesterday (Good Friday). My lunch break lasted a lot longer than I'd planned and needless to say, my job-list didn't get completed. The main character, Tish provides an interesting insight into the female psyche and even the secondary characters pulsate with life. The fact that I couldn't get the story out of my head and successfully procrastinated about the things I should have been doing, should tell you something about the quality of this book. I will definitely be checking out Nicole Young's present and future books. Highly recommendable. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A hilarious heroine and a slightly dissatisfactory end Von i-tpfelchen The subtle, wry comments of the heroine made me stop short and laugh out loud more than the not-so-subtle awkward murder investigation of the heroine. As we are currently in the process of renovating OUR old house I loved the author's description of the heroine's work in a likewise old residential building. The suspense builds up steadily but in the end the plot unravels too fast for my taste. Also, the heroine's choice concerning the two men vying for her attention left me a little disappointed. Well, there would not be many sequels if she had not made this choice, I console myself. All in all, recommendable for its humor and suspense.
