KurzbeschreibungWhen Helen Brody needed her office repaired, she never expected that the contractor would be Jamie Evans, the man with whom she shared an unforgettable night a year earlier. Jamie hasn't forgotten Helen, either, and now that he's found her, he's determined not to let her get away again.Helen can't get involved with Jamie, because he wants something she can't give him, but she can't deny the explosive, out of control attraction between them. As they try to work through their feelings, they find that the hit and run driver who destroyed Helen's office has more plans for her. Will they have only a handful of nights together, or will they have the chance to build something lasting?KurzbeschreibungWhen Helen Brody needed her office repaired, she never expected that the contractor would be Jamie Evans, the man with whom she shared an unforgettable night a year earlier.
